**REPUBLICAN PARTY CANDIDATE STATEMENT FOR
US REPRESENTATIVE, 1ST DISTRICT**

DOUG LAMALFA

Occupation: Family Farmer/Member, United States House of Representatives

Education and Qualifications: As a family farmer and businessman, I find that we spend more and more time fighting overreaching regulations and bigger government. That's part of what spurred me to run for Congress two years ago; we need to fight back.

I'm working hard to do just that - to bring North State values and common sense to Washington D.C.

As your representative, I have passed legislation in the House of Representatives to protect north state water and build new water storage, including Sites Reservoir. This project means jobs and more water for our district.

I authored and passed legislation in the House of Representatives to protect 47 million Americans from electricity rate hikes caused by over-regulation and helped to permanently reduce federal spending by \$115 billion since I was first sworn in to office.

America's veterans deserve better than broken promises, destroyed records, second-rate care and delays. That's why I've helped to shape and pass legislation to force accountability at the Veterans Administration to hold administrators responsible and ensure veterans receive what was promised to them.

I believe in a constitutionally limited government that should be efficient with your money and will continue to work to repeal Obamacare and reign in out of control bureaucrats. I support the Keystone Oil Pipeline and the wise use of our North American energy resources.

Government cannot and should not do everything. When big government is the problem, more government is not the solution.

I'd be honored to receive your vote. Please visit www.DougLaMalfa.com.

**DEMOCRATIC PARTY CANDIDATE STATEMENT FOR
STATE ASSEMBLY, 3RD DISTRICT**

JIM REED

Age: 64

Occupation: Small Business Owner

Education and Qualifications: I manage a small law firm and have advanced degrees in electrical engineering, law and taxation planning. I am a political moderate and gun rights advocate. Rather than being an obstructionist, I will work with the Governor in the Assembly to bring greater benefits to our District.

My priorities are protecting Northern California water, restoring funding for public education, and simplifying the State tax system while eliminating certain user fees such as rural fire protection fees and school bus user fees. While these priorities cost money, I believe we can fund them without raising State income taxes or sales taxes.

It is essential to protect homeowners from debilitating property taxes under Proposition 13. However, Proposition 13 gives big industrial property owners, such as oil refineries, an undeserved tax break by treating them the same as homeowners; this is a loophole that needs to be fixed. Before Proposition 13, most of the revenue from property taxes came from commercial and industrial properties; now it overwhelmingly comes from homeowners. Home ownership changes on average every 7 years but corporations game the system by selling stock ownership rather than selling the investment property, avoiding a reassessment. Proposition 13 as it applies to business property also interferes with the free market system by giving tax preference to older companies rather than those providing better or cheaper products or services.

I will protect marriage equality and the environment.

Some Endorsements: California Teachers' Association, California Labor Federation; Planned Parenthood-Shasta Pacific.

**REPUBLICAN PARTY CANDIDATE STATEMENT FOR
STATE ASSEMBLY, 3RD DISTRICT**

JAMES GALLAGHER

Occupation: Small Business Owner/County Supervisor/Farmer

Education and Qualifications: I am proud to be the candidate for Assembly endorsed by the Howard Jarvis Taxpayers Association and to be running to represent Tehama County and the North State, where my family first settled in the late 1800s, acquiring a small farm.

Generations later, the farm has grown and the crops have changed but we're still farming the same land. As a small business owner, County Supervisor and agricultural attorney advocating for area farmers and our agriculture based economy, I've worked hard to preserve the way of life that brought my family here and makes our area special.

I'll bring a common sense agenda to Sacramento. My priorities are to: Protect north state water rights and increase water storage and flood protection; Stop tax increases and Protect Prop. 13; Create jobs and opportunity by cutting regulations and government red tape; Oppose early release of prison inmates; Balance the Budget and eliminate waste.

In addition to the Howard Jarvis Taxpayers Association, I'm endorsed by U.S. Representative Doug LaMalfa, former U.S. Representative Wally Herger, Senator Jim Nielsen, 23 current and former County Supervisors from Butte, Colusa, Glenn, Sutter, Tehama and Yuba counties, as well as local sheriffs, the California State Sheriffs Association and hundreds of local farmers.

I know that our values are second to none and I'll defend them against Sacramento politicians who don't understand our area or care about us. I'd be honored to earn your vote and represent you in the Assembly. Please visit www.GallagherforAssembly.com to find out more.

Thank you.

s/ James Gallagher

**STATEMENT OF CANDIDATE FOR

RED BLUFF JOINT UNION HIGH SCHOOL DISTRICT**

RODNEY L. THOMPSON

Occupation: Educator/Counselor/Pastor

Education and Qualifications: I pledge to consider the best interests of the RBJUHSD students by promoting the worthiest policies and making decisions that are good and right. I will support the district's vision—each student graduates in a safe, healthy, and respectful environment as a life-long learner prepared for the challenges of a changing world.

Counseling in the schools has allowed me to work with and understand hundreds of students and parents, scores of teachers, and a couple dozen administrators. I am a school counselor at three Tehama County Schools; a local church senior pastor; and a California State Licensed Marriage, Family, and Child Counselor with a private practice in Red Bluff.

I received my Master of Arts degree in Educational Psychology/Counseling from the University of San Francisco; attended the University of San Diego and National University; and possess a California Department of Education PPS Counseling credential.

SUPERVISOR, 2ND DISTRICT**

SANDRA (SANDY) BRUCE

Age: 63

Occupation: Appointed Incumbent

Education and Qualifications: I am seeking your support to continue to serve the citizens of District 2, and all citizens of Tehama County. To diligently continue to serve you with honesty, integrity, and transparency. To promote economic stability and growth, and remain responsive to your inquires and concerns. Remain informed and active regarding State bills, rules and court decisions that affect our rural county. Tehama County has been my home for 36 years; I have been married to my husband Brian for 20 years and have two adult daughters. I have been serving as your fully committed Supervisor since April 22, 2013. This time has afforded me knowledge and experience necessary to be an effective and informed Supervisor. With your support I will continue to work hard for you with total attention to the business of Tehama County and its citizens.

**STATEMENT OF CANDIDATE FOR
SUPERVISOR, 2ND DISTRICT**

KATHLENE "CANDY" CARLSON

Age: 56

Occupation: Business Owner/Manager, Mortgage Broker

Education and Qualifications: Business and Psychology Degrees

Dear Voter,

I am pleased to be a run-off candidate for Supervisor to complete the late George Russell's term and proud to be endorsed by Russell supporters, Mitchell Drury – my June Primary opponent, and individuals across the political spectrum.

Why I'm Running:

First, as homeowner, mother, grandmother and community volunteer I'll protect our rural way of life. As supervisor, community involvement would not be new. I frequently help families save their homes, chair nonprofit meetings, participate in church activities and cheer at grandchildren's events.

Second, as an Air Force veteran, I'll work to establish a one-stop service center for our 6,000 Tehama County veterans.

Third, being a business owner, I'll support small businesses and job growth, a lifeblood of our community.

Finally, I won't mind standing alone to represent you. I'll promote public engagement and civility. I'm a listener, deliberative decision maker and an independent voice.

In coming days, listen for community members speaking on my behalf. I'd appreciate your vote. Respectfully,

s/ K Candy Carlson
