

TEACHERS:

You can help provide a unique opportunity for your students to be involved in our government.

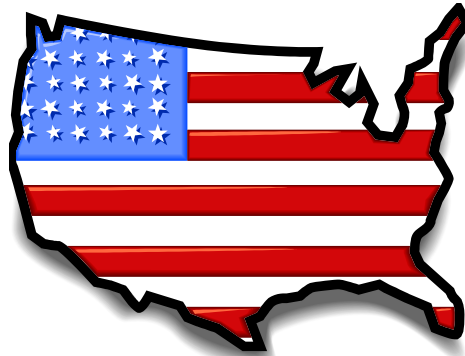

Please nominate qualified, eligible students and follow up with them about their experience working on Election Day.

This will give your students an opportunity to gain appreciation of the democratic process by actively participating in election procedures.

Per CEC, Section 48205: A pupil shall be excused from school when the absence is: ...
12) For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Election Code.

An Added Bonus

This experience will help you to better understand the voting process and, hopefully, encourage you to register and vote when you become 18, and continue to vote as an adult.
