Dear Producer/Grower:

Your 2018 Tehama County Crop Report Survey is attached below. Your response will help to secure accurate numbers and will only be used for statistics compiled for the Crop Report. Data compiled in the Crop Report is used by agencies and organizations including:

- Crop Insurance, Disaster Assessment, Financial Assistance
- Agricultural Trends
- Agricultural Production Services
- Marketing and Transportation

Return completed forms to Tehama County Dept. of Agriculture by **February 28, 2019**. Please complete all categories that apply. Forms may be mailed in the stamped envelope provided, faxed to (530)529-1049, or emailed to Heather Kelly at hkelly@tehamaag.net. The 2018 Tehama County Crop Report will be available by mid-summer, at <http://www.co.tehama.ca.us/agriculture-dept>. Your participation is greatly appreciated! If you have questions, please call (530)527-4504.

Sincerely,

Rick Gurrola
Agricultural Commissioner

Heather Kelly
Agricultural Biologist

2018 GROWER CROP PRODUCTION

(Estimates are Welcome)

Crop	Acres Harvested	Total Production	Yield (tons/acre)	Value (\$/ton)	Total Crop Value
Almonds (Example)	100 acres	77 tons (meats)	0.77 tons (meats)	\$5,300/ton	\$408,100
Walnut (Example)	100 acres	250 tons (in-shell)	2.5	\$1700/ton	\$425,000

Your response will be kept **confidential as required by (Government Code §6254(e), U.S. Code Title 7 §2276).
