HAPPY FORTH OF JULY!

Here are some simple tips to help you plan a more waste-wise Independence Day celebration:

- **Save and reuse your decorations.** Independence Day comes every year so either you or someone you know can reuse decorations, cutting down on holiday trash and saving you money.

- **Attend a public firework event.** Not only are fireworks a hazard in drought-ridden Tehama County, but they create mounds of trash at the end of the show and clouds of smoke.

- Show your patriotic spirit by sending **electronic cards and invitations or make your own** using old greeting cards. Remember, the best way to reduce waste is to avoid it in the first place.

- **Plan a waste-free local menu!** Purchase food grown locally, in bulk, and with minimal packaging for your 4th of July picnic. Locally grown food tends to be healthier for you and have less packaging, plus you are supporting our local economy. Now that's American!

- **RECYCLE** - it's one of the easiest ways to reduce your waste. Plus, it's cheaper than throwing it away and conserves our natural resources.

For more information on any of these ideas, events or other programs available to Tehama County residents and businesses, please call the Tehama County Sanitary Landfill Agency at (530) 528-1103, visit <http://www.tehamacountylandfill.com> or email us at tehamacountyrecycles@co.tehama.ca.us.
