DID YOU KNOW?

This spring make memories, not waste...

•**Nix premade items** for your Memorial Day barbeque this year and opt to make your own food. Not only is it bound to be more satisfying and better for you, you can also store and transport your creations in reusable containers instead of disposable plastics.

•Don't want to use your breakable kitchenware at your gatherings? Forget the paper plates and plastic cutlery! The Tehama County Solid Waste Management Agency has lightweight, **reusable kitchenware for loan** capable of serving up to a party of 50, helping you cut your event costs while also decreasing the amount of waste your gathering creates. Give us a call!

•Nobody looks forward to Spring Cleaning, but all those chemical cleaning odors seem to make it even worse. **Try making your own cleaners.** It's easy, will save you money and doesn't require you to purchase, store or use household hazardous waste. Visit www.earthshare.org for tips on making your own cleaners and other ideas.

•**For more information** on any of these ideas, events or other programs available to Tehama County residents and businesses, please call the Tehama County Solid Waste Management Agency.

BEVERAGE CONTAINER RECYCLING... DONE RIGHT

No matter how you recycle, the County thanks you for your efforts. Here's a tip to maximize your recycling efforts the next time you finish a refreshing, cold beverage:

- Take your aluminum, glass and plastic beverage containers to your local recycling center for a **cash refund** (5 ¢ for containers less than 24 oz. and 10 ¢ for containers 24 oz. or larger).
- Toss your rinsed beverage containers into your **blue curbside recycling cart** with your other recyclables.

No matter what, you'll be conserving precious resources. For more information on beverage containers eligible for a cash refund, please visit www.calrecycle.ca.gov/bevcontainer/.
