DID YOU KNOW?

- The U.S. Department of Agriculture estimates that Americans will throw away more than 200 million pounds of edible turkey meat this

Thanksgiving holiday. That translates to approximately 35% of each turkey purchased. Don't add to the tragic turkey food waste! Get creative with your tasty turkey tidbits and cook up some new dishes. Search online for some ideas to get your juices flowing.

- From Thanksgiving to New Year's Day, household waste increases more than 25%. Remember, Thanksgiving comes EVERY year! Instead of tossing your seasonal decorations and taking up valuable landfill space, consider saving your decorations this year to reuse next year. If you plan to have a different décor scheme next year, give your decorations to a friend or donate items in good condition.
- Americans purchase 2.6 billion holiday cards each year in the United States. That's enough to fill a football field 10 stories high. This year, send your holiday greetings electronically or create your own greeting cards from old cards. Not only will your loved ones appreciate the extra thought you put into their cards, but you'll help conserve our valuable natural resources.

Questions? Please call the Tehama County Sanitary Landfill Agency at (530) 528-1103, visit <http://www.tehamacountylandfill.com> or email us at tehamacountyrecycles@co.tehama.ca.us.

As always, please **do not forget to recycle!**
It's good for the County and good for the wallet.
