**REPUBLICAN PARTY CANDIDATE STATEMENT FOR
US REPRESENTATIVE, 1ST DISTRICT**

DOUG LAMALFA

Occupation: Family Farmer/Member, United States House of Representatives

Education and Qualifications: As a family farmer and businessman, I find that we spend more and more time fighting overreaching regulations and bigger government. That's part of what spurred me to run for Congress two years ago; we need to fight back.

I'm working hard to do just that - to bring North State values and common sense to Washington D.C.

As your representative, I have passed legislation in the House of Representatives to protect north state water and build new water storage, including Sites Reservoir. This project means jobs and more water for our district.

I authored and passed legislation in the House of Representatives to protect 47 million Americans from electricity rate hikes caused by over-regulation and helped to permanently reduce federal spending by \$115 billion since I was first sworn in to office.

America's veterans deserve better than broken promises, destroyed records, second-rate care and delays. That's why I've helped to shape and pass legislation to force accountability at the Veterans Administration to hold administrators responsible and ensure veterans receive what was promised to them.

I believe in a constitutionally limited government that should be efficient with your money and will continue to work to repeal Obamacare and reign in out of control bureaucrats. I support the Keystone Oil Pipeline and the wise use of our North American energy resources.

Government cannot and should not do everything. When big government is the problem, more government is not the solution.

I'd be honored to receive your vote. Please visit www.DougLaMalfa.com.

**DEMOCRATIC PARTY CANDIDATE STATEMENT FOR
STATE ASSEMBLY, 3RD DISTRICT**

JIM REED

Age: 64

Occupation: Small Business Owner

Education and Qualifications: I manage a small law firm and have advanced degrees in electrical engineering, law and taxation planning. I am a political moderate and gun rights advocate. Rather than being an obstructionist, I will work with the Governor in the Assembly to bring greater benefits to our District.

My priorities are protecting Northern California water, restoring funding for public education, and simplifying the State tax system while eliminating certain user fees such as rural fire protection fees and school bus user fees. While these priorities cost money, I believe we can fund them without raising State income taxes or sales taxes.

It is essential to protect homeowners from debilitating property taxes under Proposition 13. However, Proposition 13 gives big industrial property owners, such as oil refineries, an undeserved tax break by treating them the same as homeowners; this is a loophole that needs to be fixed. Before Proposition 13, most of the revenue from property taxes came from commercial and industrial properties; now it overwhelmingly comes from homeowners. Home ownership changes on average every 7 years but corporations game the system by selling stock ownership rather than selling the investment property, avoiding a reassessment. Proposition 13 as it applies to business property also interferes with the free market system by giving tax preference to older companies rather than those providing better or cheaper products or services.

I will protect marriage equality and the environment.

Some Endorsements: California Teachers' Association, California Labor Federation; Planned Parenthood-Shasta Pacific.

**REPUBLICAN PARTY CANDIDATE STATEMENT FOR
STATE ASSEMBLY, 3RD DISTRICT**

JAMES GALLAGHER

Occupation: Small Business Owner/County Supervisor/Farmer

Education and Qualifications: I am proud to be the candidate for Assembly endorsed by the Howard Jarvis Taxpayers Association and to be running to represent Tehama County and the North State, where my family first settled in the late 1800s, acquiring a small farm.

Generations later, the farm has grown and the crops have changed but we're still farming the same land. As a small business owner, County Supervisor and agricultural attorney advocating for area farmers and our agriculture based economy, I've worked hard to preserve the way of life that brought my family here and makes our area special.

I'll bring a common sense agenda to Sacramento. My priorities are to: Protect north state water rights and increase water storage and flood protection; Stop tax increases and Protect Prop. 13; Create jobs and opportunity by cutting regulations and government red tape; Oppose early release of prison inmates; Balance the Budget and eliminate waste.

In addition to the Howard Jarvis Taxpayers Association, I'm endorsed by U.S. Representative Doug LaMalfa, former U.S. Representative Wally Herger, Senator Jim Nielsen, 23 current and former County Supervisors from Butte, Colusa, Glenn, Sutter, Tehama and Yuba counties, as well as local sheriffs, the California State Sheriffs Association and hundreds of local farmers.

I know that our values are second to none and I'll defend them against Sacramento politicians who don't understand our area or care about us. I'd be honored to earn your vote and represent you in the Assembly. Please visit www.GallagherforAssembly.com to find out more.

Thank you.

**STATEMENT OF CANDIDATE FOR
GOVERNING BOARD MEMBER
SHASTA-TEHAMA-TRINITY JOINT COMMUNITY COLLEGE
TRUSTEE AREA G**

ROBERT STEINACHER

Age: 59

Occupation: Farmer

Education and Qualifications: I am seeking reelection to the position of Trustee because I feel I have the ability to help continue our program improvement. The state economy is improving, but Shasta College needs to be fiscally responsible to weather the added burden of increasing retirement benefit costs, replacement of out dated equipment, and postponed maintenance due to previous budget cuts from the state.

During my current term as trustee, we have hired a new president, reduced the size of the administration, and were recertified by the accreditation committee. The Shasta College farm has been revitalized which has provided for increased student participation. I have been a director in the Tehama County Farm Bureau for many years and a member and twice past president of the Corning Exchange Club.

Shasta College serves this area well by providing both career oriented education or preparation for success at a 4 year university. I am a great believer in the benefits of community college and my daughter is thriving at Shasta College.
