Enjoy Spring!

- With Spring finally here, you may find yourself needing a few household products for your garden or that dreaded spring cleaning. Check out the **REAP (ReUse of Available Products) Household Product Reuse Facility**. Call the Tehama County Sanitary Landfill Agency at 528-1103 for more information.
- **Hang dry your laundry.** Weather permitting, line-dry your clothes in your backyard to reduce pollution, cut your energy bill, get more exercise, enjoy the sunshine, extend the life of your clothes, and thereby create less waste. As an added benefit, your laundry will have that natural clean breeze scent. That's tough to beat!
- Challenge yourself to **spend more time outside**. Tehama County is a beautiful place to live and offers its residents plenty of outdoor recreational opportunities that do not require the quick disposal of 'cheap junk'. Go for a walk, take a bike ride or head to the River Park and skip some rocks. No matter what, you're bound to enjoy yourself.
