DID YOU KNOW?

It's February and of course that means Valentine's Day. Ah yes, it's the time for us to show those who mean the most to us in our lives just how much we care for them. **Many of us will show our affection through the exchanging of cards, candy, flowers, and other gifts with a loved one**, all of which are traditional standards for this fun filled holiday. Here are some fun alternative suggestions to help you to enjoy the holiday while also keeping Tehama County beautiful at the same time.

- **Make a lovely dinner at home for two.** It's less expensive than eating out at a fancy restaurant and a lot easier to get a reservation. You could even get creative and plan a themed dinner and a movie.
- **Make your own Valentine's Day cards** out of recycled materials or support a local Tehama County artist who uses recycled materials to make their creations.
- **Make a one-of-a-kind gift certificate.** Any busy person would appreciate a handmade certificate (on recycled paper) for a homemade dinner, doing laundry for a week (hint, hint) or any other task you know they would love to have done by someone else.
- **Instead of purchasing a plastic gift card, go for the electronic (and paperless) option, an eGift card.** Each year, 75 million pounds of PVC is dumped into landfills from plastic gift card waste. That's an unbelievable amount of waste for something that can easily and conveniently be sent virtually.

BEVERAGE CONTAINER RECYCLING... DONE RIGHT

No matter how you recycle, the County thanks you for your efforts. Here's a tip to maximize your recycling effort the next time you finish a refreshing, cold beverage:

- Take your aluminum, glass and plastic beverage containers to your local recycling center for a **cash refund** (5 ¢ for containers less than 24 oz. and 10 ¢ for containers 24 oz. or larger).
-

- Toss your rinsed beverage containers into your **blue curbside recycling cart** with your other recyclables.

No matter what, you'll be conserving precious resources. For more information on beverage containers eligible for a cash refund, please visit www.calrecycle.ca.gov/bevcontainer/.
