DID YOU KNOW?

A recent study found that **62% of those polled would only date someone that recycled**. With Valentine's Day right around the corner it is time to break up with wasteful practices and **rekindle your love of recycling** and reducing waste! If you want to show your partner just how much you love them **and** recycling, we have some tips for you.

While candy is always a popular gift, consider purchasing **locally produced candy and sweets**. Several shops in Red Bluff and Corning, as well as farm stands in the County offer plenty of options.

Cut flowers are also a popular gift, and when purchasing from a florist ask if the plastic can be left off. **Composting those flowers** once they've lost their luster is a great way to cut down on waste sent to the landfill. Better yet, select a **flowering potted plant** that your partner can enjoy year-round.

The best gift, however, is the gift of being with your loved ones. Spending quality time together creating **lasting memories** shows how much you care for your partner better than any flowers, candy or cards could. Spend the night at home and **create a meal together** or go outdoors where the cooler winter weather is sure to bring you and your loved one closer together.

Questions?

Please call the Tehama County Solid Waste Management Agency at 528-1103, visit <http://www.tehamacountylandfill.com> or email us at tehamacountyrecycles@co.tehama.ca.us.

As always, please **do not forget to recycle!**
It's good for the County and good for the wallet.
