DID YOU KNOW?

As spring draws near it is time to start your spring-cleaning chores, and with that comes **proper disposal of household hazardous waste (HHW)**. While these items oftentimes are just thrown in the trash, they can **pose a risk to our groundwater and land**, as well as injure the solid waste workers collecting your trash. Plus, **it is illegal to put these in the trash**. Luckily, Tehama County residents can properly dispose of their HHW for **FREE!** The

dates, times and locations are noted above for drop-off events. Not sure if your items are HHW? These examples should help:

- **Outside:** Products including fertilizers, pesticides, weed killers and pool chemicals.
- **Inside:** Household chemicals including nail polish remover, hair relaxers, bleach, oven cleaners, detergents, drain cleaners, and metal polishes.
- **In the Garage:** Motor oil, paint thinners, spray paints, old gasoline/fuel, varnishes and oil-based paints.

The Tehama County Solid Waste Management Agency provides public access to these unwanted, usable products for reuse through the **REAP** program, which stands for **Reuse of Available Products**. Various types of materials are available to Tehama County residents **FREE** of charge. You can find more information about this program by visiting <https://www.co.tehama.ca.us/reap>

Questions?

For more information on HHW or proper disposal of other items, please call the Tehama County Solid Waste Management Agency at 530-528-1103, visit <http://www.tehamacountylandfill.com> or email us at tehamacountyrecycles@co.tehama.ca.us.

As always, please **do not forget to recycle!**
It's good for the County and good for the wallet.
