Tehama County/Red Bluff Landfill Assistance for Illegal Dumping

The Tehama County Solid Waste Management Agency is here to assist local residents in keeping Tehama County clean! Do you know of an area in Tehama County that has become a site for illegal waste disposal? Want to help clean it up, but not have to pay to dispose of someone else's mess? Our Agency has just created a new program called the Illegal Dumping Abatement Voucher Program to assist Tehama County residents and community groups in cleaning up illegal dump sites. The Agency will provide vouchers for the disposal of the waste, as well as litter grabbers and garbage bags if needed. Cleanup sites must be on public property or public rights-of-way off of roads and are limited to two vouchers per cleanup site, unless authorized by the Agency. All waste must be brought to the Tehama County/Red Bluff Landfill for disposal, and please make an effort to separate recyclable items for recycling. For more information on the program, or to request a voucher, please call the Tehama County Solid Waste Management Agency at (530) 528-1103.
