

FOR IMMEDIATE RELEASE:

Date: July 22, 2013

Free Collection Events

Don't miss this great opportunity to safely dispose of your old electronics (e-waste) and household hazardous waste (HHW)! The following collection events are scheduled for Saturday, July 27th and *free* to all Tehama County residents:

E-waste is of concern largely due to toxicity (lead, mercury and cadmium) of some of the substances if processed improperly. E-waste collected will be recycled.

Free Electronic Waste (e-waste) Collection 8am-12 noon

- Tehama County Department of Social Services at 310 S. Main Street in Red Bluff and the Park and Ride commuter parking lot in Corning (corner of Third and Solano Streets)
- ALL size televisions, microwave ovens, ALL computer equipment including printers and monitors, DVD and VCR's, fax machines, along with other small electronic items will be accepted free of charge. There is no quantity limit on e-waste accepted.

Protect your home and community from toxics! Your cooperation and participation helps make HHW Collection safe and cost effective.

Free Residential Household Hazardous Waste Collection 8am-12 noon residents

- Tehama County/Red Bluff Landfill HHW Facility at 19995 Plymire Rd., Red Bluff, CA 96080.
- Businesses and government agencies must make an appointment in advance. Please call 528.1103. Small fees apply.
- Acceptable materials include: fluorescent lights, transmission fluid, grease, pesticides, fertilizers, paint, stains, pool & spa chemicals, detergents, disinfectants, old gasoline, kerosene, creosote, tar, aerosol cans, propane cylinders (small only), acids, bases, such as drain cleaner, tub & tile cleaner, etching products, and solvents.
- Please keep wastes in original containers.

For details about the acceptance of E-waste and HHW, please call the Tehama County Landfill Agency at 528-1103 or visit the Agency's website at www.tehamacountylandfill.com.
