### **Free Electronic Waste Recycling Last Saturday of Each Month**

Recycle your old televisions, computer monitors and equipment, microwaves, DVD/VCR players, cell phones, and other *small* electronic waste (e-waste) **FREE** of charge and help save the Earth at the same time. E-waste is of concern largely due to the toxicity of some of the substances if processed improperly. The toxicity is due to lead, mercury, cadmium and a number of other substances.

The e-waste will be accepted at the Tehama County Department of Social Services parking lot located at 310 South Main Street in Red Bluff and the “Park & Ride” parking lot located at the north and east corners of Third Street and Solano Street in Corning on **the last Saturday of each month from 8:00 am – 12:00 pm**. For more information please call the Tehama County/ Red Bluff Landfill at 528-1103. Do not call the Department of Social Services or the City of Corning.

E-waste is also accepted every day free of charge at the Tehama County/Red Bluff Landfill located at 19995 Plymire Rd. In order to not be charged, you must let the scalehouse attendant know that you have e-waste prior to dropping off the e-waste.

This event is coordinated by the Tehama County Sanitary Landfill Agency, Waste Tire Products of Orland, the Tehama County Department of Social Services, and the City of Corning.
