Inspection Violations

FOOD TRAINING - 16 1

"Comply by Date" Not Specified

Not In Compliance

Violation Description:

All food employees shall have adequate knowledge of and be trained in food safety as it relates to their assigned duties. (113947) Food facilities that prepare, handle or serve non-prepackaged potentially hazardous food, shall have an employee who has passed an approved food safety certification examination. (113947-113947.1)

Corrective Description:

Inspector Comments:

Two of the three employees working today either didn't have food handler cards, couldn't remember if they had food handler cards, or couldn't locate their food handler cards. Please have all food handler cards updated and placed together in a file within 30 days.

Overall Inspection Comments

Thank you for correcting all the violations from the previous inspection. The store is looking good. While your sanitizer concentration was correct, the test strips on site to test the sanitizer concentration are actually the wrong test strips. Your system is using quaternary ammonium as a sanitizer. Please get test strips that will test for this compound. Esmerelda was very courteous and helpful during the inspection.
