

TEHAMA COUNTY EDUCATORS WASTE AWARENESS E-NEWSLETTER

WASTE AWARENESS THROUGH EDUCATION

April 2022

Did you know...

- Recycled plastic can be used to make cell phone cases, playground equipment, and clothes
- Juice/Milk cardboard cartons can be recycled into toilet paper and paper towels
- 1 ton of recycled paper can save 17 trees and 7,000 gallons of water!

April 22nd is Earth Day!

Looking for ways to educate students on waste reduction and recycling? Conduct a waste survey in the classroom by saving the classroom trash for one day & sorting through what can be recycled. The Agency can provide FREE deskside recycling containers for classrooms and multi-purpose rooms.

What's recyclable at your school?

[The City of Red Bluff, City of Tehama and unincorporated Tehama County schools](#)

[City of Corning schools](#)

Additionally, the Agency can give a presentation in the classroom and bring the 4R Kids Exhibit Bus to teach students about the landfill and proper waste disposal.

**REMEMBER: EVERY ACTION
MAKES A DIFFERENCE**

**For questions or to
schedule a visit, e-mail the
[Recycling Coordinator](#) or
call (530) 528-1103.**
