<p style="text-align: center;">STATEMENT OF CANDIDATE FOR US REPRESENTATIVE, 1ST DISTRICT</p> <p>MAX STEINER</p> <p>Education and Qualifications: I am a combat veteran and a political centrist. I want to solve problems, not complain about them. Our political system is broken and it's time for new blood in Washington.</p> <p>I was born and raised in Northern California. I currently live in Chico with my wife – the daughter of refugees who fled communism in China and Cambodia. My younger brother lives in Redding, where he lost his house to the Carr Fire in 2018.</p> <p>At 19, I joined the Army and served two years in Iraq as an infantryman with the 10th Mountain Division. It was an honor to fight for my country. In 2009 I transferred to the U.S. Army Reserves, and I am currently the First Sergeant of a Civil Affairs Company.</p> <p>After community college, I used my G.I. Bill to put myself through university. I then served eight years as a U.S. diplomat: working on agriculture in Honduras, immigration in Mexico, peacekeeping in Egypt, and Food Security policy in Washington, D.C.</p> <p>My legislative priorities as your Representative will be defending our constitutional rights, forest management, fire risks, and water. We need to protect the fundamentals of our democracy. We need a strong timber industry to reduce fire risk. We need to hire more firefighters and pay them better. We need more dams to manage the effects of climate change.</p> <p>Visit my website at http://www.maxsteinerforcongress.com to learn more about me.</p> <p>On June 7th, I would appreciate your vote. Drought, major fires, as well as inflation stealing savings from retirees and making the basics unaffordable for young families.</p> <p>As your Congressman, I have fought for the North State; delivering billions in aid for disaster recovery, changed water law to protect our most valuable resource from being lost to frivolous use as well as federally authorized and funded the construction of Sites Reservoir. I am the leading voice on changing federal forest policy, so we thin our overgrown forests and reduce risk of major fires.</p> <p>I have fought against the out-of-control waste in Washington DC and to return our nation to common sense. I have voted against the bloated budgets and inflation causing policies that have hurt so many. And, I have stood up firmly for securing our border.</p> <p>Our nation's security is a top priority. I have consistently worked for American energy independence, including domestic oil and natural gas as well as renewables such as biomass power and clean, cheap hydroelectric. I have voted to keep our military strong and ensure our veterans get the care they need.</p> <p>It's an honor to serve you and to be your voice. Know that I will keep fighting to protect your individual rights and personal liberty. During this pandemic I have fought against the extreme mandates and shutdowns that harmed so many while backing plans that help keep us all healthy.</p> <p>I'd be honored to receive your vote. Some of us are afraid to leave abusive employers or have to work 2 or 3 jobs to make ends meet. Many of our youth are foregoing college or are drowning in student debt. A number of us want to work but can't find jobs.</p> <p>What if we can go to a doctor without having to worry about paying for it? What if there's a safety net so that you're free to quit that soul destroying job and seek greener pastures? What if college were free to those who want it? What if there's a Jobs Guarantee so that all can be productive citizens of this great country?</p> <p>This is why, fellow citizens, I answered the call to run as your Congressional representative. I vow to fight so that none of us would bear the crushing burden of medical or student debt, or do drugs to escape lives of quiet desperation. True freedom requires economic freedom.</p> <p>I vow to be a thorn on the side of the political establishment so that laws passed benefit us all.</p> <p>President Roosevelt said we need these 4 freedoms: Freedom of Speech, Freedom of Worship, Freedom from Want, and Freedom from Fear. Let's let freedom ring!</p> <p>Together, we can. Thank you for your vote.</p> <p>www.yeeforyou.com</p> <p>s/ Rose Yee</p>

**STATEMENT OF CANDIDATE FOR
STATE ASSEMBLY, 3RD DISTRICT**

DAVID LEON ZINK

OCCUPATION: Consultant / Community Organizer

Education and Qualifications: I'm a fourth generation native of Butte County who will represent our North State values by bringing a principled, inclusive commitment towards rebuilding and strengthening our communities.

My great-grandfather Phillip followed his pioneer spirit to Berry Creek in Butte County in 1860, moving his family to a section of acreage just beneath Big Bald Rock. Generations in our family ran cattle and grew their own food, logged and milled and mined, built their own homes and barns and the roads that led to them. The value of hard work and community has been in our North State family for generations.

Health issues and family obligations forced my father to sell all but 20 acres of the old ranch and move us to Oroville, where he opened the Oro Plaza Wash-'n-Dry. His business succeeded because he treated everyone with the same respect and they gave it back. He earned his share of the American Dream with dignity.

Megafires in 2018 and 2020 took the home dad was born in, the home he built, and my own family home in Magalia. Since then I have answered the call to help our tried-and-tested communities recover.

Now there's another fire of bitterness consuming our trust, leaving our country divided.

I'm running for State Assembly to help us cross that Great Divide by bringing us back on the resilient trail of dignity and mutual respect that led my family here, those core pioneer values instilled in our North State family for generations.

**STATEMENT OF CANDIDATE FOR
SUPERVISOR, 3RD DISTRICT**

PATI NOLEN

AGE: 57

OCCUPATION: Homesteader

Education and Qualifications: I am new to Tehama County, but bring a broad background and an open mind. My concerns are safety, homelessness, generating revenue, & groundwater. I was born in Bakersfield, graduating from Foothill High in 1983. I began working in high school, and I attended Bakersfield College & CSU Bakersfield before transferring to Humboldt State to study Geology in 1988. A series of job opportunities took me to Alaska, Colorado, Arizona, and then back to California in 2000. I worked in both the Land Surveying and Land Use Planning fields in Phoenix and San Luis Obispo County, from 1998-2005. In 2006, I went into the safety business. In 2009, my husband and I started a company called Safety Seminars. I became a CalOsha Crane Inspector (#416) and crane operator trainer, as well as being the only female test examiner for both certifying agencies in America. In 2017, a job opportunity brought us to Shasta County, but it was Tehama County that we fell in love with, moving to Manton in 2019. Retired from cranes, I am currently a homesteader of 34 acres, with 5 acres of old apple trees, with my husband of 26 years, Bob, and several old, cranky dogs.

As Assistant Auditor, my responsibilities include, but are not limited to, supervision of staff – providing oversight, review and encouraging professional advancement – overseeing all aspects of the office including payroll, accounts payable, accounting services, and Department budgeting, ensuring compliance with reporting requirements, and the annual audit of Countywide financial reporting. My experience also provides me the knowledge necessary to assist County Departments, agencies and special districts with issues related to reporting, budgets, audits and providing general guidance. I have taken the lead in upgrading financial software and implementing budget software, and serve as an administrator for both programs. Additionally, I have worked closely with the Administration on issues ranging from budgets to personal policies.</p> <p>This experience, coupled with my Bachelor's degree in Business Administration, make me uniquely qualified to serve as the County's Chief Financial Officer.</p> <p>It is with great pleasure that I run for the office of Auditor-Controller! "CANDY" CARLSON</p> <p>OCCUPATION: Tehama County Supervisor, District 2</p> <p>Education and Qualifications: As current Tehama County District 2 Supervisor, I'm committed to service and transparency. Through monthly town hall meetings, I've been accessible and eager to hear what's important to you. I hold a Bachelor of Science Degree in Business Administration. I've served in the private, nonprofit, and public sector, and have over 20 years finance experience. Previously, I owned a successful mortgage company and a finance and marketing consulting company. I understand the bottom line and will work hard to maintain your trust.
