COUNTY OF TEHAMA
LEGAL NOTICE
ADVERTISEMENT FOR BIDS

NOTICE IS HEREBY GIVEN that the County of Tehama will receive sealed bids pursuant to County of Tehama, State of California Specifications for each item for the period commencing on date of approval by the Board of Supervisors through June 30, 2023, in accordance with the information and specifications on file in the Office of the Tehama County Purchasing Agent, 727 Oak Street, Red Bluff, CA. 96080, for the following:

ASPHALT CONCRETE

3/8" Type A Hot Mix W/PG64-10 AGGREGATE PER BID SPECIFICATIONS APPROXIMATELY
2,500 TONS

Bid must be received at the Office of the Purchasing Agent, 727 Oak Street, Red Bluff, California 96080 not later than 3 p.m. on July 11, 2022. Bids shall be submitted in sealed envelopes and marked "**Road Materials**". The selection process will be based upon criteria including, but not limited to price, product availability, and proximity to worksite.

Tehama County reserves the right to reject any or all bids and/or waive any irregularity in any bid received. Bidders may bid on individual items and will be selected based on individual material bids.

By: Debbie Schmidt – Deputy Purchasing Agent

** Please publish in the Daily News on June 29, 2022. Send proof of publication and statement to Tehama County Purchasing Dept., 727 Oak Street, Red Bluff, CA 96080

COUNTY OF TEHAMA, State of California
SPECIFICATIONS FOR ASPHALT CONCRETE

The bidder's plant shall have the ability to provide Asphalt Concrete for pickup by Tehama County Public Works personnel and equipment. The plant shall be located within a two hour drive of the Tehama County Public Works Corporation Yard, 9380 San Benito Ave., Gerber, California, and shall have the capacity to provide the material required on a daily basis.

Asphalt concrete shall conform to Section 39 "Asphalt Concrete" and the asphalt binder shall be PG64-10 conforming to Section 92 "Asphalt Binders" of the 2018 Standard Specifications for the State of California Department of Transportation (Caltrans).

The County reserves the right to test and inspect all orders prior to acceptance accordance with the Tehama County Public Works Quality Assurance Program and Section 6-2 "Quality Assurance" of Caltrans 2018 Standard Specifications.

The quantities on the "Bid Schedule" are approximate only and are shown as a basis for comparison of bids only. The County of Tehama does not warrant expressed or implied, that the actual quantities purchased will correspond therewith but reserves the right to increase or decrease the amount as deemed necessary by the Director of Public Works.

The term of this bid shall be effective on the Board of Supervisor (Board) approval date through June 30, 2023, inclusive. All material price bids shall be effective on the Board approval date. The price per ton submitted by each successful bidder (Bid Schedule "Price" divided by "Approx. Tons") will be subject to adjustment for industry-wide price changes. In the event of industry price changes, either up or down, during the term of this bid, the County and each successful bidder will allow bid price adjustment to correspond with the industry fluctuation. An "industry-wide price change" means the net increase or decrease in the price per ton charged for similar materials by industrial suppliers located in California. The successful bidder and the County may each propose a price adjustment once per calendar quarter, at least 15 days before such proposed adjustment is to become effective. Such proposal shall state the percentage increase or decrease in price and the proposed adjusted price per ton. The percentage increase or decrease must be certified by at least two other industrial suppliers as reflecting an "industry-wide price change."

Alternatively, payment adjustments may be made in accordance with Section 9-1.07 PAYMENT ADJUSTMENTS FOR PRICE INDEX FLUCTUATIONS, of Caltrans 2018 Standard Specifications, at the discretion of the Engineer.

The bid price adjustments provided herein, either up or down, will be reflected in each sub-award made after the effective date of the adjustment and will be shown separately on all invoices.

Bids are being solicited in accordance with Tehama County's alternative transportation cost-based competitive bidding procedures. Each bid will be placed upon the County's approved bid list for the term of the bid. For each road repair and maintenance project during the term of the bid, the County will determine the distance between each bidder's plant and the job site, and will assign a transportation cost factor (calculated at \$3.90/mile, round-trip) to each bid to represent the County's cost to pick up the material and deliver it to the job site. These cost factors will then be added to the bid prices on the approved bid list to determine which bidder provides the lowest total cost to the County for that project. A sub-award will be made to that bidder for the project. The County shall have no obligation to make any purchase from any bidder until a sub-award is made by the Tehama County Purchasing Agent or Designee. Nothing in this Proposal shall be construed to require the County to purchase any asphalt concrete from any bidder that is not included within this proposal under any circumstances.

Bidder agrees to provide billings that include all costs for each load of asphalt concrete picked up at the plant.

The County reserves the right to remove any bidder from the approved bid list for failure of the bidder to perform in accordance with his proposal.
