Residence and Domicile

In order to qualify for most offices, a candidate must be a registered voter of the district or division thereof. The following code sections will assist in determining residence.

Elections Code §349. Residence and Domicile

“Residence” for voting purposes means a person’s domicile. The domicile of a person is that place in which his or her habitation is fixed, wherein the person has the intention of remaining, and to which, whenever he or she is absent, the person has the intention of returning. At a given time, a person may have only one domicile. The residence of a person is that place in which the person’s habitation is fixed for some period of time, but wherein he or she does not have the intention of remaining. At a given time, a person may have more than one residence. (Added by Stats. 1994)

Elections Code §2020. Term of domicile

The term of domicile is computed by including the day on which the person's domicile commenced and by excluding the day of the election. (Added by Stats. 1994)

Elections Code §2021. Person away for temporary purposes

A person who leaves his or her home to go into another state or precinct in this state for temporary purposes merely, with the intention of returning, does not lose his or her domicile.

A person does not gain a domicile in any precinct into which he or she comes for temporary purposes merely, without the intention of making that precinct his or her home. (Added by Stats. 1994)

Elections Code §2022. Move to another state

If a person moves to another state with the intention of making it his or her domicile, the voter loses his or her domicile in this state. (Added by Stats. 1994)

Elections Code §2023. Move to another state

If a person moves to another state as a place of permanent residence, with the intention of remaining there for an indefinite time, he or she loses his or her domicile in this state, notwithstanding that he or she intends to return at some future time. (Added by Stats. 1994)

Elections Code §2024. Intention and fact or removal

The mere intention to acquire a new domicile, without the fact of removal avails nothing, neither does the fact of removal without the intention. (Added by Stats. 1994)

Elections Code §2025. Employment in the service of the United States; Navigation; Institution

A person does not gain or lose a domicile solely by reason of his or her presence or absence from a place while employed in the service of the United States or of this state, nor while engaged in navigation, nor while a student of any institution of learning, nor while kept in an almshouse, asylum or prison. This section shall not be construed to prevent a student at an institution of learning from qualifying as an

elector in the locality where he or she domiciles while attending that institution, when in fact the student has abandoned his or her former domicile. (Added by Stats. 1994)

Elections Code §2026. Domicile of Legislative Member or Congressional Representative

The domicile of a Member of the Legislature or a Representative in the Congress of the United States shall be conclusively presumed to be at the residence address indicated on that person's currently filed affidavit of registration, as long as the address is a residence under subdivision (c) of Section 349, notwithstanding that the member or representative may have another residence at which any of the following apply:

- (a) A child for whom the member or representative is a parent, step-parent, foster parent, guardian, or caretaker is enrolled in school.
- (b) The spouse, domestic partner, or intimate partner of the member or representative is located for employment.
- (c) The member or representative receives mail or other postal or parcel deliveries.
- (d) The member or representative owns, leases, or rents a dwelling.
- (e) The member or representative claims a homeowner's exemption or any other similar claim for tax purposes.
- (f) The member or representative maintains accounts or pays for utilities, cable or satellite television, Internet service, home security service, home or landscape maintenance, or other similar services.
- (g) The member or representative registers a vehicle or boat.
- (h) The member or representative maintains policies of insurance.
- (i) The member or representative has items of personal property.

(Amended by Stats. 2018, Ch. 911, Sec. 1. (SB 1250) Effective January 1, 2019.)

Elections Code §2027. Domicile of family; residence in trailer the place where a person's family is domiciled is his or her domicile unless it is a place for temporary establishment for his or her family or for transient objects. Residence in a trailer or vehicle or at any public camp or camping ground may constitute a domicile for voting purposes if the registrant complies with the other requirements of this article. (Added by Stats. 1994)

Elections Code §2028. Place of family and business

If a person has a family fixed in one place, and the person does business in another place, the former is the person's place of domicile. However, if the person having a family fixed in one place, has taken up an abode in another place with the intention of remaining, and the person's family does not so reside with the person, the person is a domiciliary where the person has so taken up the abode. For purposes of this section, a person may take up an abode at the same place at which the person does business.

(Amended by Stats. 2019, Ch. 63, Sec. 1. (AB 679) Effective January 1, 2020.)

Elections Code §2029. Domicile of spouse

The domicile of one spouse shall not be presumed to be that of the other, but shall be determined independently in accordance with this article. (Added by Stats. 1994)

Elections Code §2030. Marriage to a person employed in the service of the United States

A domiciliary of this state who marries a person employed temporarily in this state in the service of the United States government, may elect to retain his or her domicile for the purpose of qualifying as an elector only, except that his or her domicile in this state shall terminate if the domiciliary qualifies as an elector in any other state or any territory. (Added by Stats. 1994)

Elections Code §2031. Homeowner’s property tax exemption; renter’s tax credit; driver’s license

If a person has more than one residence and that person maintains a homeowner's property tax exemption on the dwelling of one of the residences pursuant to Section 218 of the Revenue and Taxation Code, there shall be a rebuttable presumption that the residence subject to the homeowner's property tax exemption is that person's domicile. However, this presumption shall not apply in the event any other residence is listed as the person's current residence address on any driver's license, identification card or vehicle registration issued to that person by, and on file with, the Department of Motor Vehicles.

If a person has more than one residence and that person claims a renter's tax credit for one of the residences pursuant to Section 17053.5 of the Revenue and Taxation Code, there shall be a rebuttable presumption that the residence subject to the renter's tax credit is that person's domicile. However, this presumption shall not apply in the event any other residence is listed as the person's current residence address on any driver's license, identification card, or vehicle registration issued to that person by, and on file with, the Department of Motor Vehicles. This section shall not be applicable to state or federal elected officials. (Added by Stats. 1994)

Elections Code §2032. More than one residence

Except as provided in this article, if a person has more than one residence and that person has not physically resided at any one of the residences within the immediate preceding year, there shall be a rebuttable presumption that those residences in which he or she has not so resided within the immediate preceding year are merely residences as defined in subdivision (c) of Section 349 and not his or her domicile. (Added by Stats. 1994)

Elections Code §2033. Change of house number

Whenever the house number or the mailing address of a voter has been changed and the voter's domicile is the same, the public agency authorizing the change shall notify the county elections official in writing of the change and the county elections official shall make the change on the voter's affidavit of registration and a new affidavit shall not be required. (Added by Stats. 1994)

Elections Code §2034. Domicile in more than one precinct

A person domiciled in a house or apartment lying in more than one precinct shall be registered as domiciled in the precinct designated by the county elections official on the basis of the street address or other precinct the county elections official considers appropriate unless the person requests, either by letter or in person at the office of the county elections official, that he or she wishes to be domiciled for registration purposes in another precinct in which his or her house or apartment lies. In order to fulfill the requirements of this section, the letter of request shall include the name, signature, and residence address of the requester. (Added by Stats. 1994)

Elections Code §2035. Voter residence change 14 days prior to an election

A person duly registered as a voter in any precinct in California who removes therefrom within 14 days prior to an election shall, for the purpose of that election, be entitled to vote in the precinct from which the person so removed until the close of the polls on the date of that election. (Amended by Stats. 2000)

COURT CASES

Voter Registration and Establishment of Domicile. *Walters v. Weed* (1988) AKA “UCSC Student Voting Case.” 45 Cal.3rd.1

In this California Supreme Court decision, the court held that voters who have moved, but have not established a new domicile, may vote in the precinct of their former domicile even though they have no intention of returning to live there.

Homeless Person's Right to Register to Vote. Collier v. Menzel (1985). AKA "Fig Tree Case." 176 Cal. App.3d 24

In this Court of Appeal decision, the court held that a homeless person may register at a location deemed by the voter to be a dwelling place or place of habitation for that voter. A mailing address needs to be provided in order for the voter to receive election materials.

INCOMPATIBILITY OF OFFICES

The Political Reform Act does not prohibit any office holder from holding multiple public offices or seeking more than one elective office. For example, a deputy district attorney can hold the office of city council member, or a water board director may also be elected to a park and recreation district. There are, however, instances of holding more than one office that are considered incompatible.

There is no single statute that defines "incompatibility of offices". The common law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously if the offices have overlapping and conflicting public duties.

The courts have defined this concept as follows: "One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both."

The State of California Attorney General's Office has issued many opinions of particular compatibility questions. Here are six examples of incompatible offices:

1. The offices of city councilman and school district board member where the city and the school district have territory in common;
2. fire chief of a county fire protection district and member of the board of supervisors of the same county;
3. high school district trustee and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;
4. water district director and a city council member,
5. water district director and a school district trustee having territory in common; and
6. deputy sheriff and county supervisor.

If you have a question about whether two public offices which you hold or seek to hold would be considered incompatible, contact the Attorney General's office at (916) 324-5437 or visit their website, www.oag.ca.gov. For further information about conflict of interest or incompatibility of offices, contact the Fair Political Practices Commission's website at www.fppc.ca.gov, or phone toll free 1-866-275-3772.

SIGNATURE GATHERING GUIDELINES

(Read before obtaining signatures)

Circulators (whether the candidate or another person) perform the important duty of obtaining signatures of properly registered voters for the Nomination Paper. If the signatures are not obtained properly and in accordance with the law, the candidate's right to be placed on the ballot could be questioned. All candidates should try to obtain the required number of signatures as soon as possible in order for their

nomination papers to be returned to the Elections Department for examination and filing or certification to the Secretary of State, as the case may be.

Petition Circulator Information

Anyone who is circulating a Nomination Paper must be a registered voter of the jurisdiction in which the candidate is seeking nomination.

Circulators shall not circulate a state or local initiative, referendum, or recall petition or nominating paper unless the person is 18 years of age or older. (Elections Code § 8066)

A candidate for any office may obtain signatures to and sign his/her own nomination petition or signatures in-lieu petition. His/her signature will be given the same effect as that of any other qualified signer. The candidate may circulate the petitions throughout the jurisdiction regardless of his/her county of residence. (Elections Code §106)

Affidavit of Circulator (Elections Code §104): (a) Wherever any petition or paper is submitted to the elections official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator's own hand, the following:

- (1) The printed name of the circulator.
 - (2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.
 - (3) The dates between which all the signatures to the petition or paper were obtained.
- (b) Each declaration submitted pursuant to this section shall also set forth the following:
- (1) That the circulator circulated that section and witnessed the appended signatures being written.
 - (2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.
 - (3) That the circulator is 18 years of age or older.
 - (4) If the petition does not include the disclosure statement described by subdivision (b) of Section 107, that the circulator showed each signer a valid and unfalsified "Official Top Funders" sheet, as required by Section 107.
- (c) The circulator shall certify the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of the circulator's name. The circulator shall state the date and the place of execution on the declaration immediately preceding the circulator's signature. (Amended by Stats. 2019, Ch. 563, Sec. 2. (SB 47) Effective January 1, 2020.)

Qualified Signers

- (a) Notwithstanding any other provision of law, whenever an initiative, referendum, recall, nominating petition or paper, or any other petition or paper, is required to be signed by voters of a county, city, school district, or special district subject to petitioning, only a person who is an eligible registered voter at the time of signing the petition or paper is entitled to sign the petition or paper. A person who submits his or her affidavit of registration pursuant to subdivision (d) of Section 2102 is not eligible to sign a petition or paper unless at the time of the signing of the petition or paper he or she is 18 years of age.
- (b) A signer shall at the time of signing the petition or paper personally affix his or her signature, printed name, and place of residence, including the street and number of the place of residence, and if no street or number for the place of residence exists, then a designation of the place of residence that will enable the location to be readily ascertained. (Elections Code §100)

Nomination Paper: Signers shall be voters in the district or political subdivision in which the candidate is to be voted on. With respect to any candidacy for partisan office, signers shall be affiliated registered voters who disclosed a preference, pursuant to Section 2151, for the party, if any, in which the nomination is proposed. Signers need not be registered voters who disclosed a preference for any party when signing candidacy papers for a candidate seeking nomination to a voter-nominated office. (Elections Code § 8068)

So, who is a voter eligible to vote for?

Top Two Candidates Open Primary Act and Voter-Nominated Offices

On June 8, 2010, California voters approved Proposition 14, which created the Top Two Candidates Open Primary Act.

Except for the office of U.S. President and county central committee offices, offices that used to be known as "partisan offices" (e.g., state constitutional offices, U.S. Congress, and state legislative offices) are now known as "voter-nominated" offices.

Under the Top Two Candidates Open Primary Act, all candidates running in a **primary** election, regardless of their party preference, will appear on a single Primary Election ballot and voters can vote for any candidate. The top two overall vote-getters – not the top vote-getter from each qualified party and anyone using the independent nomination process – will move on to the General Election.

Candidates for voter-nominated office can choose whether to list their party preference on the Primary and General Election ballots. Political parties can no longer formally nominate candidates for voter-nominated offices, so a candidate who finishes in the top two at the Primary Election and advances to the General Election is not the official nominee of any party for the office.

Call the Elections Department at 530-527-8190 or 1-866-289-5307 or visit our website at www.co.tehama.ca.us for a list of parties that have adopted rules authorizing a person who has declined to state a party affiliation to vote the ballot of that political party for the June 5, 2018 Primary Election.

Circulating Within 100 Feet of a Polling Place

Signatures to a Nomination Paper or any other petition shall not be obtained within 100 feet of any election booth or polling place. (Elections Code §18370)

Voters May Sign Only One Paper; Exceptions

No signer shall, at the time of signing the petition, have his or her name signed to any other Nomination Paper for any other candidate for the same office. Or, in case there are several places to be filled in the same office, signed to more Nomination Papers for candidates for that office than there are places to be filled. (Elections Code §8069)

Validation of Signatures

The following guidelines will be used when validating signatures on nomination petitions or signature-in-lieu of filing fee petitions.

A signature is **INVALID** if the signer:

- ◆ is not registered to vote;
- ◆ provides a signature on the petition that does not compare to the signature on the voter's affidavit of registration;
- ◆ does not reside in the appropriate district;
- ◆ uses a P.O. Box number for residence;
- ◆ uses a mail drop number for residence address;
- ◆ provides an address that is different from the voter's residence address on the affidavit of registration on record;
- ◆ prints his or her name for the signature, unless registered as such;
- ◆ lists her name as Mrs. John Jones;
- ◆ uses ditto marks for an address;
- ◆ authorizes Power of Attorney to sign on his or her behalf.

DECLARATION OF CANDIDACY – BALLOT NAME

The ballot name is the way the candidate's name will appear on the ballot and may be designated in any of the following ways:

- ◆ First, middle and last names
- ◆ Initials only and last name
- ◆ A nickname may be included but must be in parentheses or quotation marks
- ◆ A familiar or common short version of the first name such as "Bill" for William or "Becky" for Rebecca, etc.

A candidate may use a nickname in addition to his legal name provided his candidacy has been declared under such name on the declaration of candidacy. (A.G. Ops. 50-87, 5/27/80)

If a candidate changes his or her name within one year of any election, the new name shall not appear upon the ballot unless the change was made by either of the following:

- (a) Marriage.
- (b) Decree of any court of competent jurisdiction.

Elections Code Section 13104

No title or degree shall appear on the same line on a ballot as a candidate's name, either before or after the candidate's name, in the case of any election to any office.

Elections Code Section 13106

NAME & BALLOT DESIGNATION

Name on Ballot

The candidate states on the Declaration of Candidacy how his/her name should appear on the ballot. This should be recognizable as the name under which the candidate is registered, though the two need not be identical. (Example: A candidate registered as “Jonathan William Smith” may use such variations as “John W. Smith,” “John Smith,” or “J. William (Bud) Smith.”)

If a candidate changes his or her name within one year of any election, the new name shall not appear upon the ballot unless the change was made by either of the following: (a) Marriage; or (b) Decree of any court of competent jurisdiction. (Elections Code §13104)

Ballot Designation - Legislative Requirements

The ballot designation is the word or group of words that will appear on the ballot under the candidate's name, designating the principal profession, vocation, or occupation of the candidate.

Elections Code Section 13107, 13107.3 (Statutes of 2010) and 13107.5 governs the ballot designation that a candidate may use. All candidates (except candidates for Justice of the State Supreme Court or Court of Appeal) may choose a ballot designation to appear immediately under their name on the ballot. Each candidate who submits a ballot designation shall file, in addition to the nomination documents filed pursuant to §8020, a ballot designation worksheet that supports the use of that ballot designation by the candidate. The Ballot Designation Worksheet is obtained from the Elections Department.

The ballot designation must be chosen from one of the four categories below:

- 1) **Elective Office:** Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by a vote of the people, or to which he or she was appointed, in the case of a superior court judge.
- 2) **Incumbent:** The word “incumbent” if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of a superior court judge, was appointed to that office.
- 3) **3-word Profession/Occupation/Vocation:** No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.
- 4) **Appointed Incumbent:** The phrase “appointed incumbent” may be used if:
 - a) the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for the election to the same office, or,
 - b) if the candidate is a candidate for election to the same office or to some other office, the word “appointed” and the title of the office.

In either instance, the candidate may not use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed.” However, the phrase “appointed incumbent” shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election.

Community Volunteer: A candidate's ballot designation as "community volunteer" shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

- 1) A candidate's community volunteer activities constitute his or her principal profession, vocation, or occupation.
- 2) A candidate is not engaged concurrently in another principal profession, vocation, or occupation.
- 3) A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation, or occupation designation.

The Secretary of State shall by regulation define what constitutes a community volunteer for purposes of this section.

Titles or Degrees Prohibited

No title or degree shall appear on the same line on a ballot as a candidate's name, either before or after the candidate's name, in the case of any election to any office. (Elections Code §13106)

Unacceptable Designations

Pursuant to Elections Code §13107(b), neither the Secretary of State nor any other election official shall accept a designation of which any of the following would be true:

- 1) It would mislead the voter.
- 2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- 3) It abbreviates the word “retired” or places it following any word or words which it modifies.
- 4) It uses a word or prefix, such as “former” or “ex”, which means a prior status. The only exception is the use of the word “retired”.
- 5) It uses the name of any political party, whether or not it has qualified for the ballot.
- 6) It uses a word or words referring to a racial, religious, or ethnic group.
- 7) It refers to any activity that is prohibited by law.

Rejected Ballot Designations

If, upon checking the Declaration of Candidacy, and the ballot designation worksheet, the election official finds the designation to be in violation of any of the restrictions set forth in §13107, the elections

official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate's ballot designation worksheet.

The candidate shall, within three (3) days, excluding Saturday and Sunday, and state holidays, from the date of receipt of the notice, appear before the election officer or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide a designation that complies with subdivision (a).

In the event the candidate fails to provide an alternate designation, no designation shall appear after the candidate's name.

Ballot Designation May Not be Changed After Filing

No ballot designation given by a candidate shall be changed by the candidate after the final date for filing nomination papers, except as specifically requested by the election official. (13107(d))

Ballot Designation in Both Primary and General Elections

The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request. (EC §13107(e))

No Ballot Designation

A candidate who does not want a ballot designation should indicate this in the space provided for ballot designation on the Declaration of Candidacy, or the space may be left blank. If no designation is given, it will be assumed that none is desired.

Ballot Designation Worksheet

A ballot designation worksheet must be completed at the time of filing. Election Code 13107.3 states:

- (a) Each candidate who submits a ballot designation pursuant to subdivision (a) of Section 13107 shall file, in addition to the nomination documents filed pursuant to Section 8020, a ballot designation worksheet that supports the use of that ballot designation by the candidate, in a format prescribed by the Secretary of State.
- (b) The ballot designation worksheet shall be filed with the elections official at the same time that the candidate files his or her declaration of candidacy.
- (c) In the event that a candidate fails to file a ballot designation worksheet in accordance with subdivision (a), no designation shall appear under the candidate's name on the ballot.

SECRETARY OF STATE BALLOT DESIGNATION REGULATIONS

Chapter 7. Ballot Designations

§ 20710. General Provisions.

- (c) Candidates are not required to use a ballot designation pursuant to Elections Code Section 13107, subdivision (a), and may opt to leave the space for such a designation on the ballot blank. - (e) The regulations set forth in this Chapter shall apply only to elections held for offices for which elections returns are certified by the Secretary of State of the State of California.
- (f) Whenever, the word "should" is used in this Chapter, it is recommended, not mandatory.

- (c) The Secretary of State shall provide a master copy or copies of the Ballot Designation Worksheet to all elections officials responsible for providing and accepting the nomination documents for candidates in elections for offices certified by the Secretary of State. The Ballot Designation Worksheet shall request that the candidate proposing the ballot designation provide the following information:

 4. The proposed ballot designation submitted by the candidate;
 5. The candidate may submit one or more proposed alternate ballot designations ranked in order of the candidate's preference;
 6. A brief statement identifying the factual basis upon which the candidate claims the proposed ballot designation and each proposed alternate ballot designation, including the following:

- (A) If the candidate holds elected office and is submitting his or her proposed ballot designation pursuant to Elections Code Section 13107, subdivisions (a)(1) or (a)(2), the candidate shall indicate the elective office he or she currently occupies and may attach a copy of his or her Certificate of Election;

 3. A description of the work he or she performs in the position;
 4. The name of the candidate's business or employer;
 5. The name and telephone number of a person or persons who could verify such information; and
 6. A statement that the professions, vocations or occupations relied upon to support the proposed ballot designation constitute the primary, main or leading professions, vocations or occupations of the candidate, in accordance with the definition of the term "principal" as set forth at Section 20714, subdivision (b).
 - (D) If the candidate submits a ballot designation pursuant to Elections Code Section 13107, subdivision (a)(4), the candidate shall indicate the date on which he or she was appointed to the office for which he or she is an appointed incumbent.
- (d) The candidate may attach or append any supporting documents or other exhibits to his or her Ballot Designation Worksheet which he or she believes support his or her proposed ballot designation. Such attached documents or other exhibits shall be deemed to be incorporated by reference as part of the candidate's Ballot Designation Worksheet and shall be considered as such by the Secretary of State.
 - (e) If a candidate requests a change of his or her ballot designation pursuant to Elections Code Section 13107(e), that request shall be accompanied by a Ballot Designation Worksheet.

§ 20712. Proposed Ballot Designations Submitted Pursuant to Elections Code § 13107, Subdivision (a)(1).

Proposed ballot designations submitted pursuant to Elections Code § 13107, subdivision (a)(1), shall be subject to the following provisions:

- (a) In the case of candidates holding elective city, county, district, state, or federal office, the candidate's ballot designation shall be the elective office which the candidate holds at the time of filing the nomination documents.
- (b) In the case of judicial officers, the candidate's ballot designation shall be the elective office which the candidate holds at the time of filing the nomination documents.

(c) There shall be no word count limitation applicable to ballot designations submitted pursuant to Elections Code § 13107, subdivision (a)(1).

(d) Proposed ballot designations indicating a position of legislative leadership or leadership in another elected body, such as “Majority Leader of the California Senate,” “Minority Leader of the California State Assembly,” “Speaker of the California State Assembly,” “President Pro Tempore of the California State Senate,” “City of Orange Mayor Pro Tem,” and the like, are not elective offices described in Elections Code § 13107, subdivision (a)(1). Such ballot designations are improper, pursuant to Elections Code § 13107, subdivision (a)(1). They may, however, subject to the three-word limit, be considered under the provisions of § 13107(a)(3). Examples of acceptable ballot designations under this section include, but are not limited to, “Assembly Minority Leader,” “California Assembly Speaker,” and “Mayor Pro Tem.”

(e) Proposed ballot designations indicating that the candidate is a member of the state or county central committee of a political party, or an officer of a state or county central committee of a political party, are improper, as such positions do not constitute elective county or state offices as specified in Elections Code § 13107, subdivision (a)(1).

§ 20713. Proposed Ballot Designations Submitted Pursuant to Elections Code § 13107, Subdivision (a)(2). Proposed ballot designations submitted pursuant to Elections Code s 13107, subdivision (a)(2), shall be subject to the following provisions:

(a) A proposed ballot designation submitted pursuant to Elections Code s 13107, subdivision (a)(2), is limited “incumbent,” as that term is defined in Elections Code s 13107, subdivision (a)(2).

(b) The term “incumbent” must be used as a noun. It shall not be used in conjunction with any other words, including any accompanying adjectives or modifiers, and must stand alone. A candidate qualified to use this designation pursuant to Elections Code s 13107, subdivision (a)(2), shall be entitled to use the ballot designation “Incumbent.”

(c) The word “incumbent” is strictly limited for use in ballot designations submitted pursuant to Elections Code s 13107, subdivision (a)(2), and may not be used as an adjective in any other ballot designation.

Note: Authority cited: Section 12172.5, Government Code. Reference: Section 13107, Elections Code.

§ 20714. Proposed Ballot Designations Submitted Pursuant to Elections Code § 13107, Subdivision (a)(3).

Proposed ballot designations submitted pursuant to Elections Code § 13107, subdivision (a)(3), shall be subject to the following provisions:

(a) The terms “profession,” “vocation,” or “occupation,” as those terms are used in Elections Code § 13107, subdivision (a)(3), are defined as follows:

(1) “Profession” means a field of employment requiring special education or skill and requiring knowledge of a particular discipline. The labor and skill involved in a profession is predominantly

mental or intellectual, rather than physical or manual. Recognized professions generally include, but are not limited to, law, medicine, education, engineering, accountancy, and journalism. Examples of an acceptable designation of a “profession,” as defined in Elections Code § 13107, subdivision (a)(3), include, but are not limited to, “attorney,” “physician,” “accountant,” “architect,” and “teacher.”

(2) “Vocation” means a trade, a religious calling, or the work upon which a person, in most but not all cases, relies for his or her livelihood and spends a major portion of his or her time. As defined, vocations may include, but are not limited to, religious ministry, child rearing, homemaking, elderly and dependent care, and engaging in trades such as carpentry, cabinetmaking, plumbing, and the like. Examples of an acceptable designation of a “vocation,” as defined in Elections Code § 13107, subdivision (a)(3), include, but are not limited to, “minister,” “priest,” “mother,” “father,” “homemaker,” “dependent care provider,” “carpenter,” “plumber,” “electrician,” and “cabinetmaker.”

(3) “Occupation” means the employment in which one regularly engages or follows as the means of making a livelihood. Examples of an acceptable designation of an “occupation,” as defined in Elections Code § 13107, subdivision (a)(3), include, but are not limited to, “rancher,” “restaurateur,” “retail salesperson,” “manual laborer,” “construction worker,” “computer manufacturing executive,” “military pilot,” “secretary,” and “police officer.”

(b) “Principal,” as that term is used in Elections Code § 13107, subdivision (a)(3), means a substantial involvement of time and effort such that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate. The term “principal” precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement which is only nominal, pro forma, or titular in character does not meet the requirements of the statute.

(1) If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of his or her “principal” professions, vocations or occupations if (i) the candidate has maintained his or her license current as of the date he or she filed his or nomination documents by complying with all applicable requirements of the respective licensure, including the payment of all applicable license fees and (ii) the status of the candidate's license is active at the time he or she filed his or her nomination documents.

(2) A candidate who holds a professional, vocational or occupational license issued by the State of California may not claim such profession, vocation or occupation as one of his or her “principal” professions, vocations or occupations if (i) the candidate's licensure status is “inactive” at the time the candidate files his or her nomination document, or (ii) the candidate's license has been suspended or revoked by the agency issuing the license at the time the candidate files his or her nomination documents.

(c) In order for a ballot designation submitted pursuant to Elections Code § 13107, subdivision (a)(3), to be deemed acceptable by the Secretary of State, it must accurately state the candidate's principal professions, vocations or occupations, as those terms are defined in subdivisions (a) and (b) herein. Each proposed principal profession, vocation or occupation submitted by the candidate must be factually accurate, descriptive of the candidate's principal profession, vocation or occupation, must be neither confusing nor misleading, and must be in full and complete compliance with Elections Code § 13107 and the regulations in this Chapter.

(d) If the candidate is engaged in a profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate's proposed ballot designation is entitled to consist of the candidate's current principal professions, vocations and occupations. In the event the candidate does not

have a current principal profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate may use a ballot designation consisting of his or her principal professions, vocations or occupations, which the candidate was principally engaged in during the calendar year immediately preceding the filing of the candidate's nomination papers.

(e) A candidate may engage in multiple principal professions, vocations or occupations. Accordingly, the candidate may designate multiple principal professions, vocations or occupations. If a candidate proposes a ballot designation including multiple principal professions, vocations or occupations, the proposed ballot designation must comply with the following provisions:

(1) The proposed ballot designation must comply with the three-word limitation specified in Elections Code § 13107, subdivision (a)(3), and as implemented pursuant to subdivision (f) herein.

(2) Each such proposed profession, vocation or occupation shall be separately considered by the Secretary of State and must independently qualify as a “principal” profession, vocation or occupation, as that term is defined pursuant to subdivision (b) herein.

(3) When multiple professions, vocations or occupations are proposed as a ballot designation, they shall be separated by a slash (“/”). An example of an acceptable designation would be “Legislator/Rancher/Physician.”

(f) Pursuant to Elections Code § 13107, subdivision (a)(3), the candidate's ballot designation shall be limited to not more than three (3) words. The following rules shall govern the application of the three-word limitation:

(1) The proposed ballot designation shall be grammatically correct, generic, and all words must be spelled correctly.

(2) Punctuation shall be limited to the use of a comma (e.g., District Attorney, Los Angeles County) and a slash (e.g., Legislator/Rancher/Physician), pursuant to subdivision (e) of this section. A hyphen may be used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language, which was published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted.

(3) All California geographical names shall be considered to be one word and shall be limited to the names of cities, counties and states. The names of special districts and political subdivisions are not “geographical names,” as that term is used in Elections Code § 13107, subdivision (a)(3). If the candidate desires, the geographical name may be used in the form of “City of . . .,” “County of . . .,” or “City and County of . . .” Examples of geographical names considered to be one word include Tehama County, Los Angeles County and County of Sacramento. Examples of designations containing a special district or political subdivision that are not geographical names include “Butte County Rural Fire District Captain,” “Huntington Beach Unified School District President,” and “South Bay Irrigation District Director.”

(4) An acronym shall be counted as one word.

(g) A candidate who chooses to include the name of his or her elective office with another profession, vocation, or occupation may do so pursuant to Elections Code section 13107(a)(3), but that ballot designation shall be limited to no more than three words. Examples of acceptable designations under this

section include “State Senator/Rancher,” “California Assemblywoman/Attorney,” “County Supervisor/Teacher,” and “State Controller/Businessman.” Examples of unacceptable designations under this section include “Assemblyman, 57th District/Educator,” “California State Senator/Architect,” “Placer County Supervisor/Business Owner,” and “Member, Board of Equalization/Banker.” Note: Authority cited: Section 12172.5, Government Code. Reference: Sections 9 and 13107, Elections Code.

§ 20714.5. “Community Volunteer.”

a) “Community Volunteer” means a person who engages in an activity or performs a service for or on behalf of, without profiting monetarily, one or more of the following:

(1) A charitable, educational, or religious organization as defined by the United States Internal Revenue Code section 501(c)(3);

(2) A governmental agency; or

(3) An educational institution.

(b) The activity or service must constitute substantial involvement of the candidate's time and effort such that the activity or service is the sole, primary, main or leading professional, vocational or occupational endeavor of the candidate within the meaning of subdivisions (a) and (b) of section 20714 of this Chapter.

Note: Authority cited: Section 12172.5, Government Code; and Section 13107.5(b), Elections Code. Reference: Sections 13107 and 13107.5, Elections Code; and Section 501(c)(3), United State Internal Revenue Code.

§ 20715. Proposed Ballot Designations Submitted Pursuant to Elections Code § 13107, Subdivision (a)(4).

a) Pursuant to Elections Code s 13107, subdivision (a)(4), a candidate may propose a ballot designation consisting of the phrase “appointed incumbent” if the candidate holds an office, other than a judicial office, by virtue of appointment, and the candidate is a candidate for election to the same office. The candidate may not use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed.”

(b) Pursuant to Elections Code s 13107, subdivision (a)(4), a candidate may propose a ballot designation consisting of the word “appointed” in conjunction with the elective office, if the candidate is a candidate for election to the same office or to some other office. The candidate may not use any words designating the office unmodified by the word “appointed.”

(c) There shall be no word count limitation applicable to ballot designations submitted pursuant to Elections Code s 13107, subdivision (a)(4).

Note: Authority cited: Section 12172.5, Government Code. Reference: Section 13107, Elections Code.
§ 20716. Unacceptable Ballot Designations.

(a) The Secretary of State shall reject as unacceptable any proposed ballot designation which fails to comply with Elections Code § 13107, subdivision (a); is prohibited pursuant to Elections Code § 13107, subdivision (b); is misleading; or is otherwise improper pursuant to the regulations set forth in this Chapter.

(b) The following types of activities are distinguished from professions, vocations and occupations and are not acceptable as ballot designations pursuant to Elections Code § 13107, subdivision (a)(3):

(1) *Avocations*: An avocation is a casual or occasional activity, diversion or hobby pursued principally for enjoyment and in addition to the candidate's principal profession, vocation or occupation. Avocations may include, but are not limited to, hobbies, social activities, volunteer work (except as set forth in Section 20714.5 of this Chapter), and matters pursued as an amateur.

(2) *Pro Forma Professions, Vocations and Occupations*: Pro forma professions, vocations or occupations are positions held by the candidate which consume little or none of the candidate's time and which, by their nature, are voluntary or for which the candidate is not compensated, except as set forth in Section 20714.5 of this Chapter. Pro forma professions, vocations and occupations may include, but are not limited to, such pursuits as honorary peace officer, honorary chairperson, honorary professor, goodwill ambassador, official host or hostess and the like.

(3) *Statuses*: A status is a state, condition, social position or legal relation of the candidate to another person, persons or the community as a whole. A status is generic in nature and generally fails to identify with any particular specificity the manner by which the candidate earns his or her livelihood or spends the substantial majority of his or her time. Examples of a status include, but are not limited to, veteran, proponent, reformer, scholar, founder, philosopher, philanthropist, activist, patriot, taxpayer, concerned citizen, husband, wife, and the like.

(c) Pursuant to Elections Code § 13107, subdivision (b)(1), the Secretary of State shall reject as unacceptable any proposed ballot designation which would mislead voters. In making this determination, the Secretary of State shall determine whether there is a substantial likelihood that a reasonably prudent voter would be misled as to the candidate's principal profession, vocation or occupation by the candidate's proposed ballot designation. The determination shall take into account the plain meaning of the words constituting the proposed ballot designation and the factual accuracy of the proposed ballot designation based upon supporting documents or other evidence submitted by the candidate in support of the proposed ballot designation, pursuant to §§ 20711 and 20717 of this Chapter.

(d) A ballot designation may not comprise or include commercial identification information, such as a trademark, service mark, tradename, or the specific name of a business, partnership, corporation, company, foundation, or organization. Examples of an improper use of commercial identification information include, but are not limited to, "Acme Company President," "Universal Widget Inventor," "Director, Smith Foundation," "UCLA Professor," and the like.

(e) Pursuant to Elections Code § 13107, subdivision (b)(2), the Secretary of State shall reject as unacceptable any proposed ballot designation which would suggest an evaluation of the candidate's qualifications, honesty, integrity, leadership abilities or character. Any laudatory or derogatory adjectives which would suggest an evaluation of the candidate's qualifications shall not be permitted. Such impermissible adjectives include, but are not limited to, "senior," "emeritus," "specialist," "magnate," "outstanding," "leading," "expert," "virtuous," "eminent," "best," "exalted," "prominent," "famous," "respected," "honored," "honest," "dishonest," "corrupt," "lazy," and the like.

(f) Pursuant to Elections Code § 13107, subdivision (b)(3), the Secretary of State shall reject as unacceptable any proposed ballot designation which abbreviates the word “retired” or places it following any word or words which it modifies. Examples of impermissible designations include “Ret. Army General,” “Major USAF, Retired” and “City Attorney, Retired.”

(g) Pursuant to Elections Code § 13107, subdivision (b)(4), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses a word or prefix to indicate a prior profession, vocation, occupation or elected, appointed or judicial office previously held by the candidate. Such impermissible words or prefixes include, but are not limited to, “Ex-,” “former,” “past,” and “erstwhile.” Examples of impermissible designations include “Former Congressman,” “Ex-Senator,” and “Former Educator.”

(h)(1) Subject to the provisions of Elections Code § 13107, subdivision (b)(4), use of the word “retired” in a ballot designation is generally limited for use by individuals who have permanently given up their chosen principal profession, vocation or occupation.

(2) In evaluating a proposed ballot designation including the word “retired,” the Secretary of State will consider the following factors in making a determination as to the propriety of the use of the term “retired”:

(A) Prior to retiring from his or her principal profession, vocation or occupation, the candidate worked in such profession, vocation or occupation for more than 5 years;

(B) The candidate is collecting, or eligible to collect, retirement benefits or other type of vested pension;

(C) The candidate has reached at least the age of 55 years;

(D) The candidate voluntarily left his or her last professional, vocational or occupational position; and,

(E) The candidate's retirement benefits are providing him or her with a principal source of income.

(3) If a candidate is requesting a ballot designation that he or she is a retired public official, the candidate must have previously voluntarily retired from public office, not have been involuntarily removed from office, not have been recalled by voters, and not have surrendered the office to seek another office or failed to win reelection to the office. If such a candidate did not voluntarily retire from public office, he or she may not use the word “retired” in his or her ballot designation.

(4) A candidate may not use the word “retired” in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.

(i) Pursuant to Elections Code § 13107, subdivision (b)(5), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses the name of any political party, whether or not it has qualified for recognized ballot status.

(j) Pursuant to Elections Code § 13107, subdivision (b)(6), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses a word or words referring to a racial, religious, or ethnic group.

(1) The Secretary of State shall reject as unacceptable any ballot designation which expressly contains or implies any ethnic or racial slurs or ethnically or racially derogatory language.

(2) If the candidate is a member of the clergy, the candidate may not make reference to his or her specific denomination. However, the candidate may use his or her clerical title as a ballot designation (e.g., “Rabbi,” “Pastor,” “Minister,” “Priest,” “Bishop,” “Deacon,” “Monk,” “Nun,” “Imam,” etc.)

(k) Pursuant to Elections Code § 13107, subdivision (b)(7), the Secretary of State shall reject as unacceptable any proposed ballot designation which refers to any activity prohibited by law. Unlawful activity includes any activities, conduct, professions, vocations, or occupations prohibited by state or federal law.

Note: Authority cited: Section 12172.5, Government Code. Reference: Section 13107, Elections Code.

§ 20717. Requests for Supporting Documentation.

In addition to the Ballot Designation Worksheet required to be filed with the Secretary of State pursuant to Elections Code § 13107.3 and § 20711 of this Chapter, the Secretary of State may request that a candidate submit additional supporting documentation or other evidence to support the proposed ballot designation.

(a) Time is of the essence regarding all matters pertaining to the review of proposed ballot designations submitted by candidates for public office. Failure to promptly submit requested supporting materials will preclude consideration of such materials in and the rendering of a final decision on the candidate's proposed ballot designation.

(b) The Secretary of State will communicate, whenever possible, with the candidate in the most expeditious manner, including, but not limited to, telephone, facsimile transmission and electronic mail at the number or address provided by the candidate. When the candidate does not have reasonable access to a facsimile machine or electronic mail, the Secretary of State will transmit written communication to the candidate by means of overnight express delivery to the address provided by the candidate.

(c) The candidate shall have the burden of establishing that the proposed ballot designation that he or she has submitted is accurate and complies with all provisions of Elections Code § 13107 and this Chapter.

Note: Authority cited: Section 12172.5, Government Code. Reference: Sections 13107 and 13107.3, Elections Code.

§ 20718. Communication of Decisions Regarding Ballot Designations.

(a) If a candidate's proposed ballot designation has been rejected, an official copy of the decision of the Secretary of State will be made in writing and transmitted directly to the candidate by registered or certified mail, return receipt requested, to the address provided by the candidate. The Secretary of State shall also provide a copy to the election's official in the candidate's county of residence and to the election's official of each county within the political subdivision. Copies may also be made available to all other candidates in the race.

(b) At the request of the candidate, the Secretary of State will transmit a copy of the decision of the Secretary of State regarding the candidate's proposed ballot designation by facsimile transmission or e-mail to the facsimile number or e-mail address listed on the candidate's Ballot Designation Worksheet.

(c) All written decision of the Secretary of State regarding ballot designations are public records and are available for inspection and copying at the public counter of the Elections Division of the Office of the Secretary of State, 1500 11th Street, Fifth Floor, Sacramento, California 95814.

Note: Authority cited: Section 12172.5, Government Code. Reference: Section 13107, Elections Code.

§ 20719. Service of Legal Process Regarding Ballot Designations.

(a) In the event a candidate or other interested party files a petition for the issuance of an extraordinary writ with the court or other legal action pertaining to a candidate's ballot designation, the summons and any other legal process should be served upon the Chief Counsel to the Secretary of State, 1500 11th Street, Sixth Floor, Sacramento, California 95814. The Chief Counsel may designate a Deputy Secretary of State to accept service of process on behalf of the Secretary of State.

(b) Telephone notice pertaining to any ex parte applications filed with the court by any candidate or other interested party should be directed to the attention of the Chief Counsel to the Secretary of State at (916) 653-7244. Counsel for all parties to such ex parte matters are admonished that waivers of the Secretary of State's right to timely notice and the right to personally appear at the ex parte hearing will be granted in writing and only in limited instances.

(c) The Secretary of State shall provide a copy of any legal actions in subdivision (a) or (b) above to the election's official in the county of the candidate's residence and any other county in the district.

In either instance, the candidate may not use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed.” However, the phrase “appointed incumbent” shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of this code.

WRITE-IN CANDIDACY (Elections Code § 8600 – 8606)

Filing Period: November General Election: September 12 – October 25

Write-In Procedure

Persons who did not file a Declaration of Candidacy and fulfill their nomination requirements to place their name on the ballot may run for office as a write-in candidate. Write-in votes will be counted and certified in the Statement of Vote only for qualified write-in candidates who file the required forms with the Elections Department no later than 14 days prior to Election Day. The Elections Department will forward the forms to the Secretary of State in the case of offices that must be certified by the Secretary of State.

Voters may write-in any person they wish for any office regardless of whether the person has qualified or not. However, the votes will only be tabulated for qualified write-in candidates.

To qualify as a write-in candidate, a person must file with the Elections Department the following documents:

- A "**Statement of Write-in Candidacy**" which shall contain the candidate's name, residence address, a declaration stating that he or she is a write-in candidate, the title of the office for which he or she is running, candidate's 10-year political party preference history; and the date of the election.
- A "**Nomination Paper**" with the requisite number of sponsor signatures required for the office sought.

Signers of nomination papers for write-in candidates shall be voters in the district or political subdivision in which the candidate is to be voted on. **No filing fee or charge shall be required of a write-in candidate.**

Write-in candidates are subject to the same requirements as other candidates with regard to disclosure of economic interests and campaign disclosure. (Gov. Code 82007; Elections Code §305)

The Elections Department will provide polling places with a list of **qualified write-in candidates.**

Offices Omitted From Ballot

Prospective write-in candidates should note that write-in candidacy is possible only if the office appears on the ballot. The following offices will be omitted from the ballot if the number of persons qualifying for the ballot does not exceed the number of places to be filled: Superior Court Judges (if only the incumbent files) and County Central Committees and County Councils. There is provision in the law, however, to require that the offices be placed on the ballot by means of a petition procedure. (Elections Code §7228, 7423, 7673, 8203; Ed. Code §5326)

Additional Requirements for Partisan Offices

In order to be nominated at the Presidential Primary Election, the write-in candidate must receive the highest number of votes cast for this office or the second highest number of votes cast for this office, unless there is a tie or a vacancy, or unless another candidate has been elected to the office by winning a majority of the votes. (Elections Code §§ 8142, 8605, 8807)

There are also minimum vote requirements for the election of write-in candidates to County Central Committees. (Elections Code §§ 5005, 8605, 15460, 15470, 15480, 15490)

- ONE signed hard copy must be filed by the deadline.
- Format all text flush left and save within the file.

PAYMENT: The statement may be paid for by check made payable to the County Clerk or cash if the candidate is using personal funds and will not be reimbursed through the committee. The fee shall be paid at the time candidates file their Declarations of Candidacy if the candidate wants to have a statement printed in the Voter's Information Pamphlet.

If the Candidate's Statement is withdrawn by 5 p.m. on March 11 (or by March 16 if there is an extension) the fee will be refunded in full.

PRINTING IN SPANISH: Tehama County is not required to print statements in Spanish; therefore, any candidate wishing their statement to be printed in Spanish in Tehama County's Voter Information Pamphlet needs to speak to Election staff to inquire about the cost. A facsimile copy of the ballot with the ballot measures and ballot instructions printed in Spanish will be available at each polling place on Election Day and upon request by voters at no additional expense to the candidate. (§14201)

OVERLAPPING DISTRICTS

Important notice to candidates in districts that encompass more than one county.

Procedures, requirements, fees, formats and public examination periods for candidates' statements may vary between counties. It is the candidate's responsibility to contact each county (in which he or she

wishes to have a statement printed) within the district to obtain the appropriate information from each county. Failure to do so may jeopardize the printing of the candidate’s statement.

Congressional and State Legislative Offices – Candidates’ statements shall be filed in the office of the election official of each county within the district in which the candidate wishes a statement to be printed, not later than 5:00 p.m. on the 88th day prior to the election, or in the event that the nomination period has been extended, until 5:00 p.m. on the 83rd day prior to the election.

It is strongly recommended that the candidate file the statement personally. If the statement is filed by someone other than the candidate, that person should have the authority to make corrections or deletions to the statement in the event that errors or an excess number of words are detected prior to filing the statement. Statements received by mail prior to the deadline will be filed provided that they meet the statutory requirements and county policies regarding candidates’ statements. Statements may not be changed after filing.

COST

The advance charges are estimated costs for the candidate’s statement. The actual cost of the candidate statement could be more or less than the required deposit depending on the number of candidate’s statements printed for the candidate’s race.

In the event of underpayment, the elections official will require the candidate to pay the balance of the cost incurred upon receipt of the billing. In the event of overpayment, the elections official shall pro rate the excess share among the candidates paying estimated costs and refund the excess amount paid by the candidates within 30 days of the election.

PUBLIC EXAMINATION

Candidates’ statements are available for public examination in the county election official’s office 10 days prior to submission for printing. During this period any voter of the jurisdiction in which the election is to be held, or the county election official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. Venue for such a proceeding shall be the county in which the statement is filed. If the statement is filed in more than one county, the writ or injunction must be sought in each county in which amendments or deletions to the statement are sought. (§13313)

Notwithstanding the above guidelines, nothing should be deemed to make any statement or author thereof free or exempt from any civil or criminal action or penalty because of any false, slanderous or libelous statements offered for printing or contained in the Voter’s Pamphlet.

Deposits Required for Candidate’s Statement

Registered Voters within Election Jurisdiction	Amount of Deposit Required	
	English	Spanish

INDIGENT CANDIDATES

Indigent Candidates – If a candidate alleges to be indigent and unable to pay in advance the requisite fee for submitting a voluntary candidate’s statement, the candidate shall submit to the elections official, a statement of financial worth to be used in determining whether or not he/she is eligible to submit a candidate’s statement without payment of the fee in advance. The statement of financial worth shall be submitted by the candidate together with his/her candidate statement at the same time nomination papers are filed.

“Statement of Financial Worth” forms are available from the elections official and will be furnished upon request. Necessary data, which will need to be provided, includes candidate’s employer, income, real estate holdings, tangible personal property and financial obligations.

The candidate is to certify the contents of the statement as to its truth and correctness under penalty of perjury.

If it is determined that the candidate is non-indigent, the candidate shall, within three days of notification, be required to withdraw the candidate statement or pay the requisite estimated costs. The elections official is not obligated to print and mail the statement if payment is not received. If the candidate is found indigent, the elections official shall print and mail the statement without advance payment (EC 13309(d) (e))

Notwithstanding the above, the candidate will be billed and expected to pay his/her pro rate share of the cost of the printing of the candidate statement after the election. **Remember as with all other nomination documents, the “Statement of Financial Worth” is a public record.**

CODE OF FAIR CAMPAIGN PRACTICES

Intent of Legislature

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions. EC20400

Subscription to the Code

At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee. EC20440

The text of the code shall read, as follows:

“Code of Fair Campaign Practices”

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices."

In no event shall a candidate for public office be required to subscribe to or endorse the code. EC 20444

Top Two Primary Information

On June 8, 2010, California voters approved Proposition 14, which created the "Top-Two Open Primary Act".

Prior to the "Top-Two Open Primary Act", candidates running for partisan office appeared only on their own party ballot. The top vote-getter from each qualified political party and any candidates who qualified using the independent nomination process would then move on to the General Election.

Now, under the "Top-Two Open Primary Act", all candidates running, regardless of their party preference, will appear on a single combined ballot, and voters can vote for any candidate from any political party. The "Top-Two Open Primary Act" would not affect the election of President (except parties that allow cross-over voters) and County Central Committees, which are still party specific contests.

The "Top-Two Open Primary Act" requires that only the two candidates for voter-nominated offices who receive the highest and second-highest number of votes cast at the primary shall appear on the ballot as candidates at the ensuing General Election. (EC8141.5)

The "Top-Two Primary Act" changes the way elections are conducted for all statewide offices including:

Governor	Controller	State Senator
Lt. Governor	Insurance Commissioner	State Assembly
Secretary of State	Board of Equalization	U.S. Senator
State Treasurer	U.S. Representatives	Attorney General

The "Top-Two Primary Act" would not affect the election of President (except parties that allow cross-over voters) and Central Committees, which are party-nominated. Non-partisan offices such as Judges, schools, special districts, municipalities and the Superintendent of Public Instruction would remain open to all eligible voters.

Quick facts about the "Top-Two Primary Act"

What does this mean for the Voter?

It changes the way candidates are elected in a primary election.

There are 3 types of candidate contests

1) Party-Nominated (Formerly known as Partisan)

Party-Nominated offices are contests in which the nominee is selected by the political party.

Only registered voters in that political party can vote for that party's candidate on the ballot.

Who can vote: *Only voters registered with the same party preference as the candidate.* (Except parties who allow non-partisans to cross-over and join their primary).

Offices of: *U.S. President and County Central Committees.*

Who advances to the general: *Presidential contest only, the top vote-getters in each party.*

2) Voter-Nominated

Voter-Nominated offices are contests in which the nominee is selected by the voter. In voter-nominated contests, any voter can vote for any candidate, regardless of party. It also allows candidates to choose whether they want to disclose their party preference on the ballot.

Who can vote: *All voters, regardless of party preference can vote for any candidate. This replaces party ballots in primary elections with a single combined ballot listing all candidates. The candidate may also choose to have their party preference or lack of party preference printed on the ballot.*

Offices of: *Governor, Lt. Governor, Secretary of State, State Treasurer, State Controller, State Insurance Commissioner, State Board of Equalization, Attorney General, State Senator, State Assembly, US Senator, and US Representative.*

Who advances to the general election: *The top-two vote-getters, regardless of party preference.*

3) Non-Partisan

A Non-Partisan office is an office in which no political party nominates a candidate. Judicial, school, county and municipal offices are examples of non-partisan offices.

Who can vote: *All voters, regardless of party preference*

*Offices of: *Superintendent of Public Instruction, Superior Court Judges, County Offices, Municipal Offices, Schools and Special Districts*

Who advances to the general: *In majority vote contests, candidates that receive a majority of the votes win outright in the Primary. If no candidate receives a majority of the vote, then the top-two vote-getters move on to the general election.*

How does this affect write-in candidates?

- You may write in a qualified write-in candidate's name on the ballot in a Primary Election contest.
- In the General Election, you may only write-in a qualified candidates name in a Party-Nominated contest. Write-in votes are not allowed in a voter-nominated general election.

MEASURES

State Measures:

If a measure receives affirmative votes on a majority of all ballots cast for that measure, it is deemed approved by the voters. An initiative measure approved by a majority votes takes effect the day after the election unless the measure provide otherwise. If provisions of two or more measures approved at the same election conflict, those of the measure receiving the highest affirmative vote prevail.

The Legislature may amend or repeal initiative statutes by another statute that becomes effective only when approved by the electors unless the initiative statute permits amendment or repeal without their approval. (Reference California Constitution, Article II, Section 10)

County or Local Measures:

If a majority of the voters voting on a proposed county or local ordinance vote in its favor, the ordinance shall become a valid and binding ordinance of the county or district. The ordinance shall be considered as adopted upon the date the vote is declared by the board of supervisors, and shall go into effect 10 days after that date. (EC 9122, 9320)

Bond Measures or Impositions of Special Taxes:

Cities, counties and special districts may, by a two-thirds vote of the qualified electors of such districts, impose special taxes on such districts, except ad valorem taxes on real property or a transaction tax or sales tax on the sale of real property within such city, county or special district. (Reference: California Constitution, Article XIII A, Section 4)

Mass Mailing Requirements: Government Code 84305 provides as follows:

(a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type which shall be in a color or print which contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State.

Political Advertising Requirements – Newspapers

Any paid political advertisement which refers to an election or to any candidate for state or local elective office which is contained in or distributed with a newspaper shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the advertisement or in 10-point type, whichever is larger, the words “Paid Political Advertisement”. Such words shall be set apart from any other printed matter.

As used in this section, “paid political advertisement” shall mean and shall be limited to published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office.

SIMULATED BALLOT REQUIREMENTS (EC 20009)

a) Every simulated ballot or simulated sample ballot shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the statement or words or in 10-point roman type, whichever is larger, in a printed or drawn box and set apart from any other printed matter, the following statement:

"NOTICE TO VOTERS" (Required by Law)

"This is not an official ballot or an official sample ballot prepared by the county elections official or the Secretary of State.

"This is an unofficial, marked ballot prepared by _____ (insert name and address of the person or organization responsible for preparation thereof)."

Nothing in this section shall be construed to require this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

Truth in Endorsements Law

EC 20000, et seq. Provides additional information regarding restrictions on endorsements, representation requirements, etc. A copy of the code is available for viewing at the Tehama County Elections Department, or a copy of the applicable pages may be purchased for the standard copy fee.

Campaign Literature Containing Polling Place of Voter

Candidates are requested not to distribute or mail campaign literature telling the voter where his or her polling place is located. It is not only confusing to the voters, but invariably some polling places changes occur in the last few days before an election. In the past, candidates have mailed or distributed campaign literature telling voters to go to the wrong polling place. We are sure you can understand the problems this causes for the voters and the Elections Staff as well as the candidate.

Every person is guilty of a misdemeanor who knowingly causes to be mailed or distributed, or knowingly mails or distributes, literature to any voter that includes a designation of the voter's precinct polling place other than a precinct polling place listed for that voter in an official precinct polling list that constituted the latest official precinct polling list at sometime not more than 30 days prior to the mailing or distribution.

CAMPAIGN DISCLOSURE

The Political Reform Act of 1974 requires all candidates for state and local elective office, all state and local elected officeholders, proponents of state and local ballot measures who control a ballot measure committee, and committees supporting or opposing state and local candidates, and all measure and

petition circulation committees to file campaign disclosure statements disclosing contributions received and expenditures made.

Campaign Disclosure Forms – Campaign disclosure forms and information manuals are available at the County Clerk – Elections Division or online at www.fppc.ca.gov. Before accepting any contributions or making expenditures toward a campaign, it is vital that you contact the elections official to obtain the correct forms required by law for reporting campaign contributions and expenditures. Failure to file could lead to fines and/or civil or criminal penalties.

Form 410 – Statement of Organization Recipient Committee

A recipient committee is any individual (including an officeholder or a candidate), group of individuals, organization, or any other entity that receives contributions totaling \$2,000 or more during a calendar year.

The term “contribution” includes monetary payments, loans and non-monetary goods or services.

The personal funds of a candidate or officeholder used in connection with seeking or holding elective office are contributions and are counted toward qualifying as a recipient committee. However, personal funds used to pay a candidate filing fee or a fee for the statement of qualifications to appear in the ballot pamphlet are not counted toward the \$2,000 threshold.

The Form 410 must be filed within 10 days of receiving \$2,000 in contributions.

All recipient committees must file disclosure statements until the termination requirements are met and the Form 410 Termination has been filed.

Form 501 – A candidate for state or local office must file this form prior to solicitation or receipt of any contribution, including personal funds used for the election.

Exception: This form is not required if you will not solicit or receive contributions from other persons and the only expenditures will be from your personal funds used for the filing fee and/or statement of qualifications in the ballot pamphlet.

- * Form 501 must be filed before you solicit or receive contributions from others or you make expenditures from personal funds on behalf of your candidacy.

Form 460 – Recipient Committee Campaign Statement

This form will be filed by Candidates, Officeholders and Their Controlled Committees.

The form will be used to meet Candidate, Officeholder and Committees filing obligations as shown in the filing schedule that is given in this guidebook.

Form 470 – Candidates who anticipate spending less than \$2,000 during the entire calendar year, exclusive of the costs of the filing fee and/or candidate statement (if paid from personal funds), and will not receive contributions totaling more than \$2,000, may reduce their filing obligations by filing a Form 470 (Candidate and Officerholder Campaign Statement – Short Form). No further campaign disclosure statement need be filed for this election unless the candidate expends more than \$2,000 or begins accepting contributions.

Campaign Expenditures from a Candidate’s Personal Funds – All money intended for use in the campaign, including personal funds, must be deposited into a campaign bank account. All Campaign

expenditures for the specific office must be made from the specified bank account. The funds in the account may not be used in connection with any other office sought.

Late Contribution and/or Late Independent Expenditure Reports – Any candidate or committee that receives a late contribution or makes a late independent expenditure of an aggregated total of \$1,000 or more from a single source within the 16 days prior to the election must file Form 496 or Form 497. This report may be filed in person, by fax, telegram, mailgram or guaranteed overnight mail through the U.S. Postal Service by must be filed within 24 hours or receiving the contribution or making the expenditure.
