BOND MEASURE F**

**RED BLUFF UNION ELEMENTARY SCHOOL DISTRICT  
SCHOOL SAFETY, UPGRADE, RENOVATION AND IMPROVEMENT MEASURE**

This proposition may be known and referred to as the "Red Bluff Union Elementary School District School Safety, Upgrade, Renovation and Improvement Measure" or as "Measure F".

**BOND AUTHORIZATION**

By approval of this proposition by at least 55% of the voters of the Red Bluff Union Elementary School District (the "District") voting on the proposition, the District shall be authorized to issue and sell bonds of up to \$14,100,000 in aggregate principal amount to provide financing for the specific school facilities projects listed under the heading entitled "BOND PROJECT LIST" below (the "Bond Project List"), and qualify to receive State of California matching grant funds, subject to all of the accountability safeguards specified below.

**ACCOUNTABILITY SAFEGUARDS**

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific school facilities needs of the District, all in compliance with the requirements of Article XIII A, Section 1(b)(3) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Sections 15264 and following of the California Education Code).

**Evaluation of Needs.** The Board of Trustees of the District (the "Board") has evaluated the facilities needs of the District in order to determine which projects to finance from a local bond at this time. In order to address the facilities needs of the District, the Board deems it necessary and advisable to fund the specific school facilities projects listed in the Bond Project List. The Board hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

**Limitations on Use of Bonds.** Proceeds from the sale of bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. More specifically, the Bond Project List provides for the specific projects the District proposes to finance with proceeds from the sale of bonds authorized by this proposition and such proceeds shall be applied only to those specific purposes.

**Independent Citizens' Oversight Committee.** In accordance with and pursuant to California Education Code Section 15278 *et seq.*, the Board shall establish an independent citizens' oversight committee, within 60 days of the date that the Board enters the election results on its minutes pursuant to Section 15274 of the California Education Code, to ensure that (a) bond revenues are expended only for the purposes specified in Article XIII A, Section 1(b)(3) of the California Constitution, and (b) that no funds are used for any teacher or administrative salaries or other school operating expenses. In accordance with Section 15282 of the California Education Code, the citizens' oversight committee shall consist of at least seven members and shall include a member active in a business organization representing the business community located within the District, a member active in a senior citizens' organization, a member active in a bona fide taxpayers' organization, a member that is a parent or guardian of a child enrolled in the District, and a member that is both a parent or guardian of a child enrolled in the District and active in a parent-teacher organization. No employee or official of the District and no vendor, contractor or consultant of the District shall be appointed to the citizens' oversight committee.

**Annual Performance Audits.** In compliance with the requirements of Article XIII A, Section 1(b)(3)(C) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000, the Board shall conduct an annual, independent performance audit to ensure that the proceeds from the sale of bonds authorized by this proposition have been expended only on the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for performance audits. The results of these audits shall be made publicly available and shall be submitted to the citizens' oversight committee in accordance with Section 15286 of the California Education Code.

**Annual Financial Audits.** In compliance with the requirements of Article XIII A, Section 1(b)(3)(D) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000, the Board shall conduct an annual, independent financial audit of the proceeds from the sale of bonds authorized by this proposition until all of those proceeds have been spent for the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for financial audits. The results of these audits shall be made publicly available and shall be submitted to the citizens' oversight committee in accordance with Section 15286 of the California Education Code.

**Special Bond Proceeds Account; Annual Report to Board.** In compliance with the requirements of California Government Code Section 53410 and following, upon approval of this proposition and the sale of any bonds approved, the Board shall

take actions necessary to establish an account in which proceeds of the sale of bonds authorized by this proposition shall be deposited. In compliance with the requirements of California Government Code Section 53411, as long as any proceeds of the bonds remain unexpended, the chief fiscal officer of the District shall cause a report to be filed with the Board at least once a year, stating (a) the amount of funds collected and expended in that year, and (b) the status of any project required or authorized to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as the chief fiscal officer of the District shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

**FURTHER SPECIFICATIONS**

**Joint-Use Projects.** The District may enter into agreements with other public agencies or nonprofit organizations for joint use of the school facilities financed with the proceeds from the sale of bonds authorized by this proposition in accordance with California Education Code Section 17077.42 (or any successor provision). The District may seek State grant funds for eligible joint-use projects as permitted by law, and this proposition hereby specifies and acknowledges that, subject to the limitations on the uses provided for herein, the proceeds from the sale of bonds authorized by this proposition will or may be used to fund all or a portion of the local share for any eligible joint-use projects identified in the Bond Project List or as otherwise permitted by California State regulations, as the Board shall determine.

**Single Purpose.** All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to California Education Code Section 15100, and all the enumerated purposes shall constitute the specific single purpose of the bonds, and the proceeds from the sale of bonds authorized by this proposition shall be spent only for such purpose, pursuant to California Government Code Section 53410.

**Other Terms of the Bonds.** When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum, and that interest shall be made payable at the time or times permitted by law. The bonds may be issued and sold in several series, and no bond shall be made to mature more than the statutory maximum number of years from the date borne by that bond.

**BOND PROJECT LIST**

The Bond Project List below lists the specific projects the District proposes to finance with proceeds of the bonds. The Bond Project List shall be considered a part of this bond proposition and shall be reproduced in any official document required to contain the full statement of the bond proposition. Listed projects will be completed as needed at a particular school or school facility site according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority for funding or completion. In so far as permitted by law, each project is assumed to include its share of costs of the election and bond issuance, construction-related costs, such as project and construction management, architectural, engineering, inspection and similar planning and testing costs, demolition and interim housing costs, legal, accounting and similar fees, costs related to the independent annual financial and performance audits, a contingency for unforeseen design and construction costs, and other costs incidental to or necessary for completion of the listed projects (whether the related work is performed by the District or third parties). The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. In addition, certain project funds expected from non-local bond sources, including State of California grant funds for eligible projects, have not yet been secured. Therefore, the Board cannot guarantee that the bond proceeds will provide sufficient funds to allow completion of all listed projects. Alternatively, if the District obtains unexpected funds from non-local bond sources with respect to listed projects, such projects may be enhanced, supplemented or expanded to the extent of such funds. Some projects may be subject to further government approvals, including by State officials and boards and/or local environmental or agency approval. Inclusion of a project on the Bond Project List is not a guarantee that the project will be completed (regardless of whether bond funds are available).

The specific projects authorized to be financed with proceeds from the sale of bonds authorized by this proposition are as follows:

**GENERAL PROVISIONS**

**Interpretation.** The terms of this bond proposition and the words used in the Bond Project List shall be interpreted broadly to effect the purpose of providing broad and clear authority for the officers and employees of the District to provide for the school facilities projects the District proposes to finance with the proceeds of the sale of bonds authorized by this proposition within the authority provided by law, including Article XIII A, Section 1(b) (3) of the California Constitution, California Education Code Section 15000 *et seq.* and the Strict Accountability in Local School Construction Bonds Act of 2000. Without limiting the generality of the foregoing, such words as repair, improve, upgrade, expand, modernize, renovate, and reconfigure are used in the Bond Project List to describe school facilities projects in plain English and are not intended to expand the nature of such projects beyond, or have an effect on, and shall be interpreted to only permit, what is authorized under Article XIII A, Section 1(b)(3) of the California Constitution, California Education Code Section 15000 *et seq.* and the Strict Accountability in Local School Construction Bonds Act of 2000. In this regard, the Bond Project List does not authorize, and shall not be interpreted to authorize, expending proceeds of the sale of bonds authorized by this proposition for current maintenance, operation or repairs. The school facilities projects on the Bond Project List only authorize capital expenditures.

**Estimated Ballot Information.** The Board hereby declares, and the voters by approving this bond proposition concur, that the information included in accordance with Section 13119 of the California Elections Code in the statement of the bond proposition to be voted on is based upon the District's projections and estimates only and is not a limitation.

**Severability.** The Board hereby declares, and the voters by approving this bond proposition concur, that every section and part of this bond proposition has independent value, and the Board and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this bond proposition by the voters, should any part be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts hereof shall remain in full force and effect to the fullest extent allowed by law, and to this end the provisions of this bond proposition are severable.

*Approval of Measure F does not guarantee that the proposed project or projects in the Red Bluff Union Elementary School District that are the subject of bonds under Measure F will be funded beyond the local revenues generated by Measure F. The District's proposal for the project or projects may assume the receipt of matching State funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.*
