WASTE AWARENESS
THROUGH EDUCATION
JANUARY 2023

Collecting CRV beverage containers is an easy way to raise money for classroom supplies and activities. You can redeem CRV on eligible glass, plastic, and aluminum beverage containers. You'll get 5¢ for each container under 24 ounces and 10¢ for each container 24 ounces or larger. Just make sure to separate them by material. Contact the [Recycling Analyst](#) for tips and for *free* classroom recycling bins.

Do you know about the 4R Kids Exhibit Bus? Agency staff converted a bus into the 4Rs Kids Exhibit, a mobile Waste Awareness experience to serve as a 'field trip on wheels'. The program is designed to visit Tehama County schools, allowing students access to hands-on learning exhibits within the bus.
Call our office or [send us an e-mail](#) to schedule a visit at your school!
