**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 1ST DISTRICT**

DOUG LAMALFA

Occupation: Farmer, Member of the United States House of Representatives

Party Pref: Republican

Education and Qualifications: The last several years have been difficult for too many. Inflation has taken a bite out of family budgets, gas and energy prices have soared, crime and lawlessness have crept into our rural communities. The challenges we face in Northern California just keep growing.

Bloated federal budgets fuel inflation and add to the national debt. As your representative in Congress, I voted for the Bi-Partisan Fiscal Responsibility Act to limit spending and save taxpayers \$2.1 trillion by cutting waste.

I continue to work to improve disaster recovery, including passing tax relief for the victims of wildfires. Increasing water supplies and protecting our water from being wasted by government mismanagement is critical. I have been able to deliver \$3.8 billion in low interest loans and grants for Sites Reservoir planning and construction.

Mass illegal immigration, cartel marijuana grows, the menace of fentanyl, tragic human trafficking are symptoms of the current Administration's refusal to control the border. I've voted to strengthen and defend the border. We must finally complete the wall, it's essential to our national security.

I have consistently worked to bring energy prices down and make America energy independent by increasing domestic oil and natural gas production as well as renewables such as biomass power and clean, cheap hydroelectric.

I will always fight to protect our Constitution and our individual rights. It's my privilege to serve you in Congress, to be your voice. I'd be honored to receive your vote. Thank you.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 1ST DISTRICT**

ROSE PENELOPE YEE

Occupation: Business Leader, Finance Professional, Investor

Education and Qualifications: Like you, I'm a proud American.

I have a vision for America: a nation where we live the very best possible lives we can live, where everyone has the opportunity to achieve the American dream.

But for many, the American dream seems so far out of reach. The struggle to make ends meet and keep ones head above water is real.

As such, I will focus on uplifting Americans' financial wellbeing. Parents should earn wages for a full day's work enough to feed, clothe, and house their families without needing a second or third job to do it.

I will work towards an America that works for all Americans:

Healthcare for Americans: Quality healthcare through Medicare for All.

Education for Americans: Adequately fund our schools and give youth access to trade schools, public colleges, and universities without crippling student loans.

Security for Americans: Protect our seniors by preserving and expanding Social Security, uphold workers' rights, and create a Federal Jobs Guaranty to provide Economic Security for all.

Safety for Americans: Ensure a healthy and safe environment that promotes our well-being.

Care for Americans: An economy where budgets and laws passed put the welfare of Americans first, rather than the profiteering of billionaires.

I'm inviting you to join me on this journey. With your vote, we can realize our shared vision of a kinder, gentler America with thriving communities and caring neighborhoods.

It will be an honor to get your vote and serve you in Congress.

Thank you.

**STATEMENT OF CANDIDATE FOR
STATE SENATE, DISTRICT 1**

MEGAN DAHLE

Occupation: Farmer/Businesswomen/Mother

Education and Qualifications: As an Assemblywoman, I have championed the issues of the North State in Sacramento and have successfully secured tens of millions of dollars for our communities.

There is more work to be done.

California's high cost of living is forcing families to decide between buying groceries or putting gas in their cars. By voting to suspend the state's 54 cents/gallon gas tax, I fought to save consumers over \$1,600 a year and make it less expensive for farms and manufacturers to get products to market.

Families can't afford higher taxes and increased healthcare costs. That's why I have repeatedly opposed efforts to raise our gas, sales, property and other taxes - while working to reduce healthcare costs.

Crime is out of control and we need criminals off our streets.

I have pushed legislation to crack down on smash-and-grab robberies, co-authored a law to more severely punish human traffickers and backed measures to more effectively prosecute fentanyl dealers.

To reduce homelessness, I've supported legislation that addresses mental health and addiction issues that are often a root cause.

By working to improve forestry management, properly maintain power lines and make fire insurance more affordable, I am fighting to protect homes from wildfires.

The California Professional Firefighters support my re-election. Please join them and my campaign to get California back on track.

Please visit www.votemegandahle.com to learn more about my values.

I'd be honored to have your vote.

s/ Megan Dahle

**STATEMENT OF CANDIDATE FOR
STATE SENATE, DISTRICT 1**

DAVID FENNEL

Age: 54

Occupation: Entrepreneur

Education and Qualifications: My name is David Fennell and I am running to be your State Senator. We have been through a lot together in Northern California with rising costs, increased crime, decreased water, fire outbreaks & economic uncertainty. Our great region is constantly being outvoted by more populated Los Angeles who doesn't understand our problems or share our values.

Why are violent criminals allowed to rob at will?

Why are we releasing water farmers need into the ocean? Why are forests mismanaged, resulting in historic burns?

Why are bureaucrats being allowed to destroy business & innovation? Why are the values of our Northern California families under assault?

The answer is we have a lack of leadership in Sacramento.

Newly redrawn Senate District 1 calls for new leadership! I have a college degree & 30+ years of real-world business experience & will bring practical solutions to Sacramento. Our region is the most beautiful! While others leave California, I visited all our counties. 60+ campaign stops. Time to elect a fighter! Will you join me in the fight to save our State?

I will not let you down!

Vote David Fennell for State Senate!

**STATEMENT OF CANDIDATE FOR
SUPERVISOR, 2ND DISTRICT**

JOHNNA JONES

Occupation: Public Non-Profit Representative

Education and Qualifications: For the past 4 years, I have served not just the City of Red Bluff but all of Tehama County. I have continuously served on the Community Action Agency as well as the Continuum of Care Executive Council, keeping progress moving forward on the navigation center. I am an advocate for parents, students and teachers through our school, focus on the quality of meals being delivered to our Senior Citizens and personally fought for a trash collection system at the homeless encampments, used weekly by P.A.T.H. countywide.

As a lifelong resident of Tehama County, I choose to raise my children here. Family is a propelling factor for all positions I serve. Public swim and youth programs are crucial for a proactive community. I believe economic development should be a key focus and continually supported. Without economic development, we cannot present a balanced budget, grow and provide our citizens with amenities as well as public safety, roads and infrastructure.

I believe elected officials should be available to the public, be easily contacted and know the jobs for which they make decisions. I am excited to hear your concerns, hopes for our community and to learn more about all county departments.

s/ Johnna Jones

K.M. "CANDY" CARLSON

Accomplishments of special note include: insuring \$3,000,000 of ARPA Funding went to local businesses, nonprofits, and well restoration, \$1,500,000 to Reeds Creek Road washout repair; securing \$4,000,000 for Corning Veterans Hall renovations; and obtaining desperately needed law enforcement and other wage increases.

I attended Reeds Creek Elementary and graduated from Red Bluff High School. I received my Bachelor's Degree in Business Administration and Operations Management at California State University, Chico.
